Issue No. 02

## Parents' Bulletin

**Dear Parents**

Last week we received confirmation of our GCSE results from the Department of Education. As you may be aware the key measure of a school's success is now what is known as the 'Progress 8 Score'.

From 2016 all students and schools have been measured on how much progress they make from when they start in Year 7 to when they complete their exams at the end of Yr 11. This new measure is based on a student's progress which is measured across 8 subjects including English and Maths, EBacc subjects from Science, Languages and Humanities and 3 other approved qualifications. The Progress 8 measure is designed to encourage all students to study a broad and balanced curriculum.

I am delighted to inform you that we have received a positive Progress 8 score. This means that students at Yateley School have achieved **higher** than national averages in their GCSE exams.

It is also worth mentioning that students of **all ability's** (low, middle and higher) made better than average progress.

These results at Key Stage 4 alongside our best A Level results for over 6 years are a real testament to the hard work of students, staff and parent's last year.

On a separate note I am pleased to see that our students have been making excellent use of Show my Homework this term. Over 95% of students from Years 7-13 are using the system to manage their homework on a regular basis. The completion rate of homework is also up on last year's figures.

Although we had a few teething issues at the start of term, it seems the system is now working as it should be at being well used by students and staff.

As I mentioned to students in assemblies this week research shows that on average, the impact of homework on learning is consistently positive, leading to on average five months additional progress' (Sutton Trust).

I will be writing to parents shortly with further information on how you can make use of Show My Homework to support your child.

## SPORTING RESULTS

### Football

Year 7 lost 6-2 against John Hansen

Year 8 won 2-1 against Collingwood

Year 10 lost 3-1 against Tomlinscote

### Rugby

Year 9 played a combined team of Wavell and Weydon and lost 35-25

### Netball

Year 11 had their last game for us in the District tournament at Wavell they played really well, and we are all very proud of their achievements and contributions over the last 4 years. They finished 3rd at Districts

We had a mixed U15 team (Year 10 and 9) play at the ISON Versatility tournament, the Girls played really well winning every game in their Pool by a considerable amount, taking us into the semi-finals against Weydon.

What a game this was, it was post to post and finished on a draw. So we had to play golden goal, and it was the longest golden goal play off I have witnessed, both umpires said how hard both teams fought but unfortunately for us Weydon managed to score.

This meant we finished 3rd overall. Well done girls.

Year 9 Netball won 10-5 against Wavell MVP Eva Chater

### SCHOLASTIC BOOK FAIR

I am pleased to announce that the annual Scholastic Book Fair is being held in the Library Schoolroom from Monday 16th to Thursday 19th October. This is an opportunity for students to purchase fiction or information books. Year 7 and 8 students will be visiting the Book Fair during designated English lessons and other year groups are more than welcome to visit the Book Fair during lunchtimes. Students must bring money with them should they wish to purchase books. Cash or cheques can be used as payment. If paying by cheque, please make it payable to Scholastic Ltd. Please note that most of the books are not discounted but there are usually a few bargains to be had. If your child comes home with a wish list this is because they have seen a book that appeals to them.

Commission earned on book purchases will be used to enhance the English Department's book stock.

# Maths Corner

## Dinner Dilemma

Half of the students at school today brought a packed-lunch and didn't buy anything at the cafeteria. Out of the remaining half who bought something,  $\frac{3}{4}$  bought ice cream. Half of the ice cream bought was chocolate and one-fourth was vanilla. The remaining 15 ice creams were strawberry.

How many students were at School Today?

**1 house point to all parents/student who presents the correct answer to their maths teacher before next weeks Maths Corner is published.**

### Answer to Maths Corner 1 – Bunk Beds

Robert = Red, Harry = Blue, Brian = Yellow, Kevin = Black, Ian = Green, Liam = Brown

## Community Safety News

**Public Space Protection Orders in Aldershot and Farnborough**

In response to complaints and following consultation with the public, Public Space Protection Orders are now being enforced across Aldershot and Farnborough.

The new orders give the police and council officers powers to control a range of antisocial behaviour that has a detrimental effect on the local community.

Restrictions address behaviour associated with:

- Drinking alcohol
- The use of psychoactive substances
- Public urinating and defecating
- Loitering—causing nuisance including intent to beg
- Loitering and causing harassment, alarm and distress

The penalty for breach of the restrictions is a £100 fine, reduced to £50 if paid within 14 days. If not paid within 29 days the council will look to prosecute, and a larger fine could be imposed. Once issued with a fixed penalty notice for breach of a PSPO, there is no right of appeal.

You can view the areas covered by the PSPOs at [www.rushmoor.gov.uk/PSPO](http://www.rushmoor.gov.uk/PSPO). For more information you can speak to one of our team on 01252 398399 or email us on [communitysafetyteam@communitysafetynh.org](mailto:communitysafetyteam@communitysafetynh.org).

**Stay safe at Halloween**

If you're planning to enjoy Halloween bear these tips in mind:

- Think about costume safety
- Plan your trick or treat route and care when crossing roads
- Be safe and be seen
- Don't go alone: under 12s should be accompanied by an adult
- Never go into any houses
- Only knock on doors of homes displaying Halloween decorations
- Don't throw eggs or flour
- Respect people's right to not participate

If you don't want trick or treaters to knock at your door, you can download a "no trick or treaters" poster by visiting [www.safermh.co.uk](http://www.safermh.co.uk).

**Fly-tipping fines increased in Basingstoke**

If it's your rubbish, you're responsible- that's the message from Basingstoke and Deane Borough Council as it launches a campaign to crack down on those who illegally dump waste and to warn residents about the risk of paying rogue waste carriers.

The council is appealing to residents to choose carefully before paying someone to take their junk away as they can be held responsible if it is fly-tipped.

If you have any doubts, please visit a website such as <https://environment.data.gov.uk/public-register/view/search-waste-carriers-brokers> or simply search "waste carrier licence check". For help with choosing a reputable waste carrier, use Checkatrade or Buy With Confidence to make a better decision.

The campaign has been launched in the wake of the council imposing the maximum possible fine on fly-tippers, with new fixed penalty notices raised from £200 to £400. The enforcement team investigates all reported incidents of fly-tipping and take action against anyone responsible.

To make a report, visit [www.basingstoke.gov.uk/report](http://www.basingstoke.gov.uk/report). For more information on local recycling sites, please visit [www.hants.gov.uk/wasteandrecycling/recyclingcentres](http://www.hants.gov.uk/wasteandrecycling/recyclingcentres).

**Firework Safety**

Around 1000 people a year are injured by fireworks. Attending an organised display is the best way to enjoy them, but if you do use them at home remember:

- Plan your display
- Buy fireworks that comply with British Standards (BS7114)
- Keep fireworks in a closed box and use one at a time
- Read the instructions carefully
- Light the firework at arm's length and stand well back
- Never return to a firework once it has been lit
- Don't put fireworks in your pocket or throw them
- Direct fireworks well away from spectators
- Never use paraffin or petrol on a bonfire
- Make sure the fire is out/made safe before leaving
