YATELEY SCHOOL

A PERFORMING ARTS COLLEGE

17th May 2017
Issue No. 31

Parents' Bulletin

Dear Parents

Budget Cuts

The teaching unions – most of them - have got together to promote a campaign to raise awareness of the cuts to education budgets. While the number of students of school age is rising and so the amount spent on education is too, there is no increase in per pupil funding. This means no funding to cover inflation, the (small) increase in teachers' pay each year, the increase in NI and pension contributions and other assorted extras.

The unions estimate that 99% of schools will have a funding cut. Primary schools will lose an average of £103,754 by 2020 and secondary schools £470,433. The figures they have worked out for Yateley School show a loss of £449,665 by 2019, the equivalent of 13 teachers and schools are at the point where they can only really save that sort of money by getting rid of teachers.

That's one way of managing the teacher shortage. Is that the sort of educational system you want for your children?

GCSEpod

Our students, mainly in Year 11, have downloaded or streamed 25,000 of the revision pods. We are apparently, says gcsepod "a member of a very exclusive club". Although they don't say how exclusive which makes it sound like insincere hyperbole, it is worth remembering that in April, we exceeded the average number watched for a school of our size by over 13,000.

So, maybe we are exclusive and congratulations to our hardworking Year 11 students who are pulling out all the stops.

And, because we are so fantastic, gcsepod is sending us a framed certificate – we don't even have to download our own.

Examinations

The exams have started in earnest now and the attitude and attendance of Year 11 have been excellent.

We do insist on proper school uniform and we are proud of our students who wouldn't think of behaving otherwise. A few do but we will send them away to get properly dressed and this is all unnecessary upset at an important time.

SPORTS NEWS

Year 7 Basketball boys won the District Cup final 46-13 vs Weydon School last Tuesday. An excellent team performance which saw 9 different scorers which topped off an excellent season for these boys who also won the District League.

Congratulations to Ben Elsey (Yr8) who has been selected for the Surrey U13 Rugby Development Squad and also to Lana Williams (Yr9) who has been selected for the Hampshire U14 Netball Development Squad. Both went through rigorous selection processes to get through. A tremendous achievement for both individuals - we wish them the best of luck going forward.

Congratulations also to Phoebe Shea (Yr8) who came 5th at a recent National Judo competition. Phoebe, who was competing in the under 48kg category, won two fights and lost two (one against the eventual winner after taking her to extra time). Well done Phoebe!! 5th in the country - outstanding!

YEAR 11 GRADUATION ASSEMBLY (FOR STUDENTS ONLY)

The Year 11 Graduation Assembly is a fantastic opportunity to say goodbye to the Year 11 students and recognise all the events and hard work over the years.

As you know we had originally scheduled this to take place on Friday 9th June from 13.30 to 15.10, but as this would clash with a Music exam a small group of Year 11's were not able to attend.

Thankfully we have managed to rearrange a number of other school events so that the graduation assembly can now commence a day earlier - **Thursday 08 June from 1330 to 1510**. Subsequently we have made the decision that students will begin study leave a day earlier, so after the Graduation Assembly on Thursday 08 June their study leave shall begin.

JOB ADVERT NURSERY NURSE

Description of Role

We are looking to appoint a **Nursery Nurse** in the Baby Room of our busy **First Steps Nursery**, looking after young children up to 2 years of age. The position is permanent, working 37 hours per week, 51 weeks annually. Our 70 place day nursery caters for babies and children from the age of 3 months to 5 years.

Working with the **Nursery Management**, the successful candidate will provide a high standard of early year's provision that meets the needs of both parents and children in a stimulating and friendly environment that is both physically and emotionally secure, in accordance with First Steps Nursery policies and practice.

First Steps Nursery is undergoing a transformation, and will be expanding its childcare services in September 2017, moving into new premises within the Yateley School complex.

The Nursery Nurse will also:

- Be a key worker to a group of children or a family, observing, monitoring, reviewing and recording the development of their needs.
- Maintain good working relationships with parents and professionals to build an understanding of individual needs.
- Work co-operatively as part of a team and, where necessary, provide cover for other nursery staff.
- Maintain and complete all necessary records on each child / family including as key worker to particular children and those required by Social Care and Ofsted teams.
- Act in accordance with national policy and current legislation relating to nurseries and those issued by HCC.
- *Please note, this is not an exhaustive list, and full details can be found on the Job Description for this role.*

Demonstrable experience of working with this age range of children would be desirable, as well as having appropriate childcare qualifications (up to and including Level 3), including a working knowledge of the curriculum relating to this age range.

What We Can Offer You

For the successful candidate we can offer:

- Supportive Team Environment
- Continued Professional Development
- Free On-Site Staff Car Parking
