Parents' Bulletin

Dear Parents

We have been in discussion with Mr German and his employers. He is keen to start here as soon as possible and they have agreed to release him part-time from September. This is a much better time for a new Headteacher to start and so I have agreed to stand aside and will be leaving now at the end of this term.

It has been an immense privilege working at Yateley School and with your children. I know that I will miss so many aspects of the role.

Sporting success

As usual, we sent a large team to the Junior Track and Field District Championships last week. Our Year 7 boys came second overall, our Year 8 boys came third, Year 7 girls sixth and our Year 8 girls fourth.

Harry Ware in 7DS is the 600m District Champion. Harry is ranked number one in the UK for his age group in 800m and his time of 2:11:7 ranks in the top 20 fastest times for under 13s since records began. He is number 2 in the 1500m and is pushing to be number 1 in a competition in Watford next Wednesday.

To add to this he is not surprisingly current 800m Hampshire champion but less expected are his achievements in being the 200m U14 Hampshire champion, 100m Hampshire silver medallist as well as cross country District champion, Hampshire cross country Bronze medallist and 7th in the UK pentathlon league. Fantastic achievements, I'm sure you will agree.

Our Year 7 Track Knock out team qualified for the Hampshire games and came second overall. Our Year 8 Basketball team qualified for these games and finished third overall. The highlight of the day was a brilliant 10-8 win over Kings School in Winchester – the organisers noted that our team had the strongest defence of all the teams.

Well done to all our competitors!

BOYS ONLY! DANCE WEEKEND AT THE POINT

We have an exciting opportunity here at The Point for any aspiring male dancers aged 8-18 years, suitable for beginners and those with some dance experience in any style.

Boys Only! In partnership with Royal Academy of Dance, is a high-energy, two-day workshop full of creativity, led by experienced male teachers. Bring a friend and enjoy energising contemporary warm-up classes and creative dance sessions combined with athletic ballet classes to build your coordination, strength and alignment. Classes are led by male teachers alongside dancers from the all-male Zoie Logic Dance Theatre.

The weekend finishes with a presentation for parents and guardians, and a Q&A with your teachers.

This event is being held at The Point, **Saturday 8 & Sunday 9 July - 10am – 4.30pm each day** (students are required to attend both days). The cost of the weekend is just £53.00.

Booking deadline has been extended, so please do encourage any dancers that might be interested to book on as soon as possible. Bookings can be made on the RAD website: <https://www.rad.org.uk/events/boys-only-hampshire>

If you have any talented dance students aged 15-21yrs who are considering a career in dance, we have an exciting day not to be missed! Please see the e-flyer below for more information.

DANCE DAY SURGERY

Our Dance Surgery Day is an opportunity to learn from professionals and develop their skills. We have some very exciting tutors teaching on this day including artists and alumni from National Youth Dance Company!

The day is **10am-4pm on Tuesday 25th July** and is only **£2.00!**

The day is designed so that individuals can book on themselves, if you would like to bring a group along please do let me know. Places can be booked <http://www.thepointeastleigh.co.uk/whats-on/summer-17/a-dance-surgery-day/>

Community Safety News

Picking up on borough's litterers

Cracking down on people who litter in the borough is the focus of the Community Safety Patrol Team, as part of a targeted campaign aimed at educating and enforcement - talking to the public about the possible repercussions of littering and taking action against those caught dropping rubbish.

Those who are spotted littering will face an on-the-spot fine of £75, and those who refuse to pay could end up with a criminal record and costs of up to £2,500 following a successful prosecution. The borough council has prosecuted 30 people so far at a cost of up to £900 a time. The Community Safety Patrol Officers have identified litter hotspots across the borough and are carrying out targeted patrols. Residents are encouraged to support this plight by reporting if they see someone littering. In addition to handing out fines, the officers have been providing advice and education about littering and its consequences, with the aim of preventing further offences.

The campaign builds on the good work of the Notice Your Neighbourhood campaign, which encourages residents to help spot low-level crime in their communities and report issues like graffiti, fly-tipping, and abandoned vehicles.

The campaign is part of the Love your Borough drive which is encouraging people to take pride in the area they live, and take a stand against those who don't respect their local area. You can help keep the borough streets clean, and avoid littering fines, by using the waste bins or taking your litter home.

If you spot someone littering, let us know, by calling 01256 844844. You can also make a report at www.basingstoke.gov.uk/report.

Derelict Buildings

Derelict buildings are those that have been deemed unsafe or blocked off by the council or police. Many houses are derelict because they are too old and unstable to be in. Roofs can collapse, floors may be unstable, electrics/plumbing may be damaged. This means they could collapse and leave you trapped in the rubble. You never know what or who could inhabit them. There are all sorts of things that can go wrong. However much you want to, don't go in, it's not safe!

The consequences of entering derelict buildings can be fatal. They are derelict and possibly condemned for a reason, they are unsafe for people to be in.

Entering derelict buildings is not only dangerous but may also be considered trespassing.
