Learning together – Empowered for life

Dear Parents

Learning together – Empowered for life. Just a few words, yet a lot of thought and time in their production. We're determined that our ambitious vision for the future is shared and understood by our whole community and wanted to take the opportunity of coming together and developing a statement that (at least in part) represents our values and purpose as a school. A great school is so much more than just an 'exam factory', or an inspection rating, or just living from one set of results to the next. We want to grasp learning in a manner that sets us up for the rest of our lives and gaining the empowerment that comes from working collaboratively; students who are adaptable, resilient and respectful. This message has been coming through loudly and clearly from students and staff as we have prepared these words, which will be featuring across our school for many years to come. However, I would be the first to recognise that great words can only take us so far. Understanding what it means to be an expert learner and getting a real sense of empowerment will take time and energy and commitment – from us all!

Yateley 50. As you are probably aware, we are approaching Yateley School's Golden Jubilee. We've already had expressions of interest from former students and staff across the country and we're planning a programme of all sorts of activities and events for this summer and into September. There will be more details forthcoming in due course and our students will have plenty of opportunity to get involved in the festivities. If you'd like a further insight, please see <https://youtu.be/DCsZxdQQu2I> where former Chair of Governors Wendy Cairns who has been involved with the school for many years and sent her own children here, reflects on the importance of the celebration. You will, I hope, excuse my cameo appearance at the end!

As an act of real guts and determination, nothing much beats Chloe Mitchell in 10PN's bungee jump undertaken in the Christmas holidays. She jumped from Bloukrans Bridge in South Africa which at 216 metres (709 feet) is the world's highest commercial bridge bungee. Quite extraordinary.

Key Stage 4 Choices. Thank you to our Year 9 parents who came along in great number to our Key Stage 4 Choices evening on Thursday. Although there are constraints on what schools can offer in the current climate – all of which was explained, we are extremely proud to be offering an options choice which is extremely broad, engaging and ambitious. I can say without hesitation that our offer would be the envy of most schools, along with our success rate. I hope parents found the evening worthwhile and we'll look forward to seeing you again for the parents' subject review evening on 25th January.

Yateley School Parents' Bulletin

I'm very pleased to inform you that we have been able to bring forward our Sixth Form Interviews for current Year 11 students which will commence next week. Record numbers are looking at our Sixth Form from both Yateley students and from other schools. This has to be a real indicator of the quality of our sixth form where 'value-added' exceeds other local providers. With increased content, rigour and a different assessment process we will be moving towards the pattern established in virtually every sixth form of studying three subjects in Year 12 rather than four. This will not have any impact on prospects at higher education and will improve the chances of success. However Mr Mather, Director of Sixth Form, is happy to discuss this further if there are any concerns.

Student star of the week

I am delighted to celebrate the fantastic Jess Cannon in 11NS. Jess epitomises the school's values with her exemplary conduct, assistance and achievement. She excels in many of her subjects and invariably helps at events in the school. She has come to the fore as star of the week for having mentored a Year 7 student who has struggled with coming to school through anxiety. Jess has given up numerous breaks to meet with this student and her friends and helped them to overcome any difficulties.

Maths Corner 17

Maths Lunch

Each day at noon, four mathematicians meet for lunch at the Prime Rock Café. Although each of the four eat a differently priced snack, they share the bill equally.

Yesterday this resulted in one mathematician paying £1 less than the cost of her snack, another paying £3 more, another £3 less and the last mathematician paid £4. What was the actual price of each snack?

1 house point to all parents/students who presents the correct answer to their maths teacher before next weeks Maths Corner is published.

Mathematics Gifted and Talented

During last term a group of Sixth Form students took part in the Senior Maths Challenge run by the UK Mathematics Trust. The Senior Challenge is aimed at all 16-19 year olds studying mathematics and involves answering 25 multiple choice questions. Students in the top 40% nationally receive certificates and an opportunity to progress to further Challenges. The following students took part Clementina Tuck, Jonathan Gan, Samuel Armitage, Samuel Perry, Janine Lanek, Oliver Ross, Joshua Potter, Scheharazade Al-Ahmad all took part. Scheharazade and Josh both achieved a Silver Certificate and Oliver achieved a Gold Award and qualified for the follow round, the Senior Kangaroo. This is an amazing achievement for Ollie as out of 82000 participants who took part in the Senior Maths Challenge, 7000 were selected to do the Senior Kangaroo round. Well done Ollie.

The UK Mathematics Trust also held a Girls Mathematical Olympiad. This is a National Competition which was held on Tuesday 5th October. Its aim is to encourage and inspire girls to get involved in advanced mathematical problem solving, as well giving them the opportunity to experience a Maths Olympiad. Scheharazade Al-Ahmad and Janine Lanek both took part. This is a very challenging competition so well done to both girls for taking part.

Chess Puzzle

Last week's solution was to bring the rook over to h4. After the white king retreats the rook is free to take the bishop on h5 at no cost.

This week: find the best move for black.

Bring your solution to Chess Club on Thursdays at lunchtime in C21.

Half Term Dance Workshops for 12+ years in Woking Evolve - 3 day intensive - 13th-15th February, 10am-4pm

Dance Woking is delighted to be able to offer a half term dance intensive with James Wilton Dance. You will get to work with a company member from James Wilton Dance Company over three days in half term to create an Overture for their performance of **LEVIATHAN**, on Thursday 22 March at Rhoda McGaw Theatre; this will be the first time the company will be performing in Woking.

Venue: The Dance Studio, Bishop David Brown Secondary School, Albert Dr, Woking GU21 5RF

Fee £60: includes the 3 day dance intensive, plus tech/dress at Rhoda McGaw; the performance and then an opportunity to see the performance.

To apply please complete a booking form and return via email to office@dancewoking.com or return to Dance Woking Office, Suite 1, Floor 1, Pearl Assurance House, 28 High Street, Woking, GU21 6BW.

More about James Wilton Dance...

After graduating from London Contemporary Dance School in 2009 James founded his company James Wilton Dance. James' work has toured internationally and won awards at the Hannover, Bern and Masdanza Choreography competitions, as well as the Sadler's Wells Global Dance Contest. James' most recent company work *Last Man Standing* toured to over 60 venues since its creation in 2014 and has been seen by over 15,000 people.

LEVIATHAN follows Ahab, a ship captain hell-bent on capturing the white whale: Moby Dick, a beast as vast and dangerous as the sea itself, yet serene and beautiful beyond all imagining. Ahab's crew are drawn into the unhinged charisma of their captain, blindly following him on his perilous adventure towards almost certain destruction.

Featuring a cast of 7, Wilton's trademark blend of athletic dance, martial arts, capoeira and partner-work, **LEVIATHAN** will have you on the edge of your seat. It will leave you gasping for air under the sheer ferocity of movement, all accompanied by a powerful electro-rock soundtrack by Lunatic Soul.

LEVIATHAN is man versus nature; be careful what you fish for!

Attached to this email is the booking form, if you would like these printed please let us know how many you would like and we will send them to you. We also have some great leaflets for LEVIATHAN which we would be happy to send.

See photos attached to get an idea of James Wilton's work and also take a look at our website for more information and to see the LEVIATHAN trailer- www.dancewoking.com/event-category/feb2018-half-term/

If you need any more information or would like booking forms and leaflets printed please contact us using the details below.

Training Courses for Parents & Carers

INCLUSION HAMPSHIRE HAVE OPENED A NEW SITE IN CHINEHAM, BASINGSTOKE!
We are now able to offer workshops for parents and carers.

Connecting with your Teen

Being a parent is one of the hardest jobs in the world at the best of times. When children reach their teenage years, connecting can become very different from how it was in earlier years. Communication forms the basis of relationship which can sometimes be a strain on the whole family during this time. This interactive workshop looks at exploring ways of reaching your young person so that you both feel heard and understood. We will look at ways of finding common ground and enhancing listening skills.

Tuesday January 30th, 9:30-12:00

What's All This Anger About?

Anger and aggressive confrontations can be the most difficult situations to deal with. It may seem like your teenager is angry all of the time or they may just have an outburst now and again. It may not feel like it but this is all very normal! This workshop looks beyond the face of anger and explores what is going on within the angry young person. We will look at the process of anger, how this affects us and what strategies we can use in times of crisis that are helpful. By the end of this workshop you will have learnt effective de-escalation techniques and developed your understanding to give you confidence in the future.

Tuesday February 6th, 9:30-12:00
