Learning together – Empowered for life

Dear Parents

What a great image with which to start the bulletin. Pictured are Charlotte Tonks 7NS and family with their magnificent and by the looks of it, partially edible snowman!

Thank you to all families for your forbearance over the school snow closure days. I'm very aware of the inconvenience this causes and acutely conscious of the responsibility to try and keep the school operating at full strength. However, safety of staff and students both on site and travelling is paramount and I hope the students, at least, enjoyed the enforced break. Apologies for the loss of bulletin therefore on Friday 2 March. World Book Day has been celebrated, albeit a week late because of the snow. Thank you to Mrs Hood in the Library for

the organisation of this.

Our most recent communication before this bulletin has been to share and celebrate the wonderful news following the publication of the Ofsted report. I trust that all parents have now had access to the full report and it is available on the Ofsted website if you wish. <https://reports.ofsted.gov.uk/inspection-reports/find-inspection-report/provider/ELS/116433>. As you can well imagine, we are immensely proud of the journey so far and very optimistic and ambitious for the future. The report is full of positives about the school and here are a few 'prize picks' to share with you.

- Pupils enjoy school, feel safe and know how to keep themselves safe
- Pupils invariably behave well in lessons and around the school site, having respect both for each other and for adults alike
- Pupils are supported well by the school's pastoral leaders.
- Pupils are prepared well for life in modern Britain
- Teachers use their strong subject knowledge and skilful questioning to challenge and deepen pupils' understanding
- Teachers show pupils how to produce high-quality work
- The curriculum offers pupils the opportunity to study a wide range of subjects to suit their interests and aspirations
- The leadership of teaching, learning and assessment is strong
- There is a fresh energy to the school
- There is a culture of high expectations in the sixth form
- Leaders have a clear moral purpose and aim to be as inclusive as possible
- Teaching in the sixth form is invariably very strong and often exemplary
- 'At other colleges you're a number; at Yateley you're a person.'
- Students are proud to be part of the sixth form and take an active role in supporting other pupils

Yateley School Parents' Bulletin

Massive congratulations to the U14 girls Basketball team who have also won their Division 1 league undefeated this season. After several tight games they won all of their matches, despite it being some of the girls' 1st season playing competitively. Special mention goes to April Ellis who was the team's top scorer and Issy Callaway for being a fantastic captain and role-model for the team. Well done, also to Eva Smith and Sophie-Ella Tzanetis, who despite only being in year 7, held their own against a lot of older opposition.

We are once again making superb progress with the UK Rock Challenge Dance competition. As a South of England premier school, we are through to the national finals competition and have recently showcased our talented dancers in the Guildhall in Portsmouth. Mrs Wearing and her team, including Mrs Evans, have worked tirelessly in rehearsing and choreographing and the emerging work is stunning. We have already been awarded many certificates of achievement and hope that even greater accolade is on its way. Well done team Yateley!

If you have yet to get tickets for our superb upcoming production of Bugsy Malone, don't delay – they're selling fast. Rehearsals are continuing apace and we are looking forward to stunning shows running from Tuesday 20th through to Friday 23rd March. Also, a call out and reminder to all Year 11 parents that the important GCSE Information Evening is on Thursday 15th March, starting at 7pm.

Student Star of the Week

Our student star of the week this week is Mary Upshall in 10NN. Mary has spent a huge amount of her own time organising tutor group charity activity, giving huge support to the charity rep. She has given of her time, money and organisation and importantly shown herself to be a very effective salesperson, selling huge numbers of the sweet bags that she'd put together. A great act of compassion – well done Mary.

Yours sincerely,
Paul German

SUBJECT REVIEW DAY – THURSDAY, 29TH MARCH 2018

Please be advised that there will be a Subject Review Day for parents with students in Years 8, 9 and 10. Students in these year groups are expected to accompany their parents to appointments with their subject teachers, please ensure that your child is wearing **full school uniform**.

Letters with information on how to book appointments will be sent out next week – **appointments will run from 08:00 until 17:00 during the day.**

Students in years 7, 11, 12 and 13 are not required to be in school (unless they are doing revision and/or catchup sessions), Year 7 students will be given a Home study booklet to complete and hand in after the Easter holidays. Years 11 – 13 will be required to continue with their revision using the resources that have already been provided by their teachers.

Mr T Pettengell

SKI TRIP 2019

15th-23rd February 2019 (Half Term) – Please note date change from the previous bulletin

In recent years prices for any trips abroad have soared; despite this we have actually kept our price in the last 2 years by changing travel companies, and have haggled the price down to well below brochure price.

The company we are travelling with, Select, only uses good quality hotels so the standard will be at least as high as in previous years.

The trip is open to everyone in the present year 9 and above. In the event of over subscription, places will be offered firstly to sixth form students, then 2018-2019 year 11s, and then to the other two year groups. Places are reliant on good behaviour and attendance. Application letters will be sent out separately.

General Details

Dates : Friday, 15th February - Saturday, 23rd February 2019 (this is the week of the Spring half term break)

Skiing: 6 days skiing with all day ski instruction and supervision.

DANCE TOUR TO LAKE GARDA

There is a meeting for parents on **Monday, 26th March 2018 to be held at 6:00pm in B1.5.**

The meeting normally lasts no longer than half an hour, and Mrs Wearing will be available to answer individual questions until 7 pm.

Mrs H Wearing, Trip Leader

Maths Corner 21

Weight a Minute!

You are given twelve coins which all look identical. The only difference is that one coin is slightly heavier than the other eleven. The difference is slight and cannot be noticed by holding the coins.

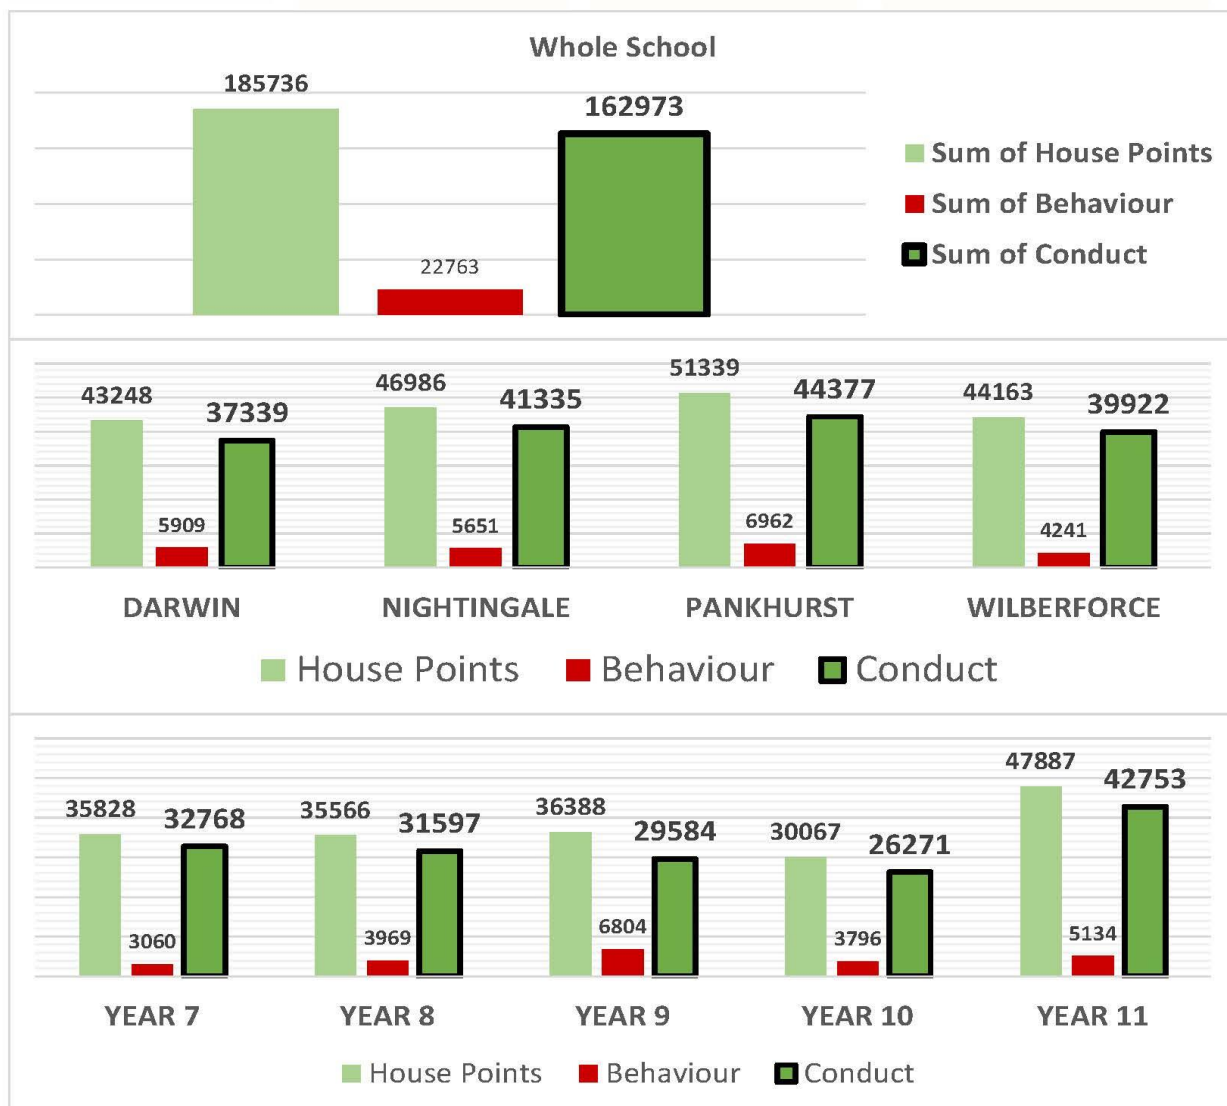

You are given a set of balancing scales. How can you find the heaviest coin with only 3 separate uses of the scales?

1 house point to all parents/students who presents the correct answer to their maths teacher before next weeks Maths Corner is published.

Answer to Maths Corner 20 – What a Bargain!
Numbers to stick on doors at 35p each.

OUR OUTSTANDING SIXTH FORM!

Universities have heard the news of our Outstanding Sixth Form!

More Graphics students get University offers

There is still time for year 11 students to join us in the 6th form and sign up for A level Graphics. If you are interested and haven't studied the subject before please come and talk to us, we have groups already set but would always welcome more #empoweredforlife

LEVEL 3 FOOD SCIENCE AND NUTRITION EXAM

Students produced some outstanding work in their Food Science exam today. The brief was to design and prepare a three course meal aimed at the teenage market for a hotel restaurant. Students were given three and a half hours to complete the task. Excellent effort and determination shown by all students, well done!

YATELEY SCHOOL GOLDEN JUBILEE

The **logo competition** has now closed. Winners will be announced very shortly. We were delighted not only with the number of entries but also the quality of them which made the decision a really difficult one. The final logo will be a combination of ideas from three entrants. Please pass on our thanks to any of your youngsters who took part in this. The **calendar of events** is growing, as is the list of activities that are part of the school's jubilee celebrations.

Make a note of the events in your diaries – more information and opportunities to book your places after Easter.

We have events for our community – bring along friends and family!

- Saturday 30 June – Ramble round Yateley with stop for pub lunch
- Saturday 7 July – Quiz night at the school with supper
- Sunday 8 July – Fun run round the school grounds for all ages and Noddy car rides

We also have reunions planned for our former staff and students. Please spread the word about these to anyone you think may not have heard about the events. Tickets not yet available but will be in the weeks after Easter.

- Saturday 7 July – cream tea at the school, with opportunities to revisit old haunts with tours of the school
- Friday 20 July – disco at Bistro 19

Where are they now? - We are compiling a 'Where are they Now' record with news of former students. Please encourage any former students in your families, or with whom you are in touch, to look at the Yateley school jubilee page and send us their news. www.yateleyschool.net/jubilee/

And if you are in a position to **volunteer** to help with any of our activities we would be delighted to hear from you birthday@yateley68.co.uk

The closing date for contributing **pennants to make bunting** is fast approaching. We have been pleased to receive a few but would like a lot more. Please remind your youngsters that the bunting will be used during the celebrations and on special occasions in the future so that they will be able to see their pennants on display. Remember you don't need sewing skills to contribute. For details go to www.yateleyschool.net/jubilee/

Waitrose green tokens – don't forget to put your tokens in Yateley School's 50th Birthday Box. Thank you Waitrose!

Thanks to everyone for your support.

STORY TIME

To celebrate World Book Day our sixth form Childcare students ran a special story time on Tuesday morning in the library. The students chose a farm animal theme and read three stories to the children, including 'The Three Little Pigs'. The children thoroughly enjoyed singing 'Old MacDonald Had a Farm' at the end of the stories and the session finished with a craft activity which included colouring in a Peppa Pig crown. A fun time was had by all!

This is a great opportunity for our students to practice the skills they have learnt on placement and in lessons and a lovely way to celebrate the importance of reading to children during World Book Day week.

LITERATURE QUIZ

On Monday evening Keeley Griffiths, 7NS, Lucy Liness, 9DE, Cerys Parkes, 7WN and Leah Simpkins, 9DS took part in the School Library Services regional round of its annual Literature Quiz. The girls are all keen readers and had been meeting regularly to test themselves on their knowledge of children's literature. The event was held at Calthorpe Park School and the Yateley team competed against five local schools.

Sadly, we didn't make it to the finals but the girls can be proud of their placing and a fun time was had by all! All participants received a book which was a nice surprise. Thanks to the parents for arranging transport and for staying to support the girls.

CHARITY SWIM

I would just like to say a big thank you to all the Yateley School students who took part in the 'Nigel Tottman memorial BHF swim' this Saturday, 3rd March, at The Camberley Arena. This swim has been running at The Arena for the last 16 years to raise money for the BHF and was previously organised by my father. When my Dad tragically and unexpectedly passed away last summer, I wanted to honour him by carrying on this event in his memory. I was so pleased to see students from Yateley School involved and overall we raised approximately £5000 for the BHF. A fantastic achievement! Lots of other local schools, and many adults were involved and it was a really positive community event. I plan to run this fundraising swim next year on Saturday 2nd March 2019 and hope to see more students from Yateley taking part again. A big well done again to all who swam! Look forward to seeing you again next year.
