Learning together – Empowered for life.

Dear Parents

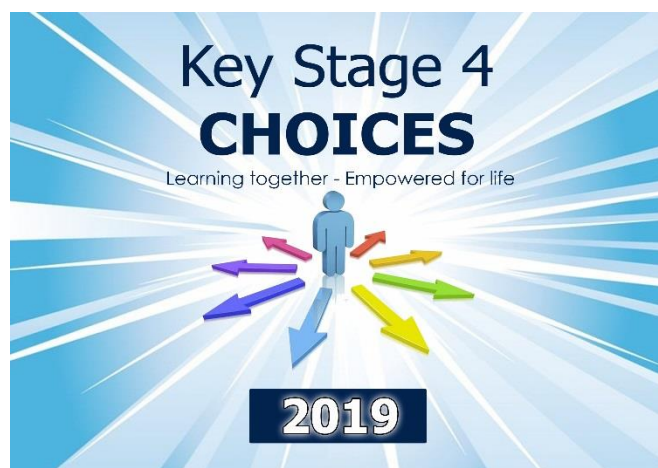

It has been a really strong start to the term for our **PE department** and the many students who participate in extra-curricular sport. You can keep up to date with their many successes on Twitter  @YateleySchoolPE. Some highlights to date:

- Year 9 football are through to the quarter finals of the county cup;
- Year 10 remain in the hunt for the district league title with three games to play they are as yet unbeaten;
- Year 11 face Robert May's School in the district cup quarter final and hopes

are high;

- In Basketball, Year 8 are currently second in the league with three games still to play;
- Year 9 are in the district cup semi-final v Salesian next week;
- Year 10 continuing where they left off after last year's double with another unbeaten season so far;
- In Netball, the Year 10 Netball team are unbeaten and only have two games left to play, both teams also unbeaten so far this year, so it could be nail biting to the end for a league win. There's absolutely all to play for...

Key Stage 4 curriculum choices evening. Our options process began in earnest when Year 9 parents filled the Hall to receive information and guidance about the choices available to them for GCSE and hopefully beyond. Of course these will be the most significant decisions made so far – apart from the excellent choice of schools of course – and we're on hand to help, guide and support. It is very important to take careful note of the individual circumstances and choose courses for good and careful reasons and above all, courses that will motivate and inspire. For some students the choices have been straightforward and possibly already made and for others it will be much more difficult. I strongly encourage students and parents to take advantage of the opportunities to discuss with subject staff, especially in the forthcoming Year 9 subject

consultation evening next Thursday and then make an informed choice. The final deadline for return of forms is Thursday 28th February 2019, or earlier if possible.

Headteacher Commendations It is a great pleasure to periodically award Headteacher Commendations for outstanding effort, achievement and endeavour. The list of Year 7 students below all packed and distributed bags superbly for the school charity appeal and were instrumental in making sure our very generous donations went to their recipients.

Student star of the week. Prajwal Vadicharla 10WS. Prajwal has been attending and supporting the Library at lunchtimes twice a week on a voluntary basis as part of the Duke of Edinburgh award scheme.

Prajwal is an excellent timekeeper, very polite and is a great communicator. Prajwal has also been efficient and flexible in completing a variety of library tasks including shelving both fiction and non-fiction books, returning books on the computer and helping with display preparation.

Yours sincerely.

Paul German

HOME SCHOOL AGREEMENT

Following on from the details of the new sanction system which were in the parent bulletin last week, we have now updated our home school agreement.

The new agreement can be found on the VLE via the following link:

https://moodle.yateley.hants.sch.uk/pluginfile.php/26552/mod_page/content/98/Yateley%202018-19.docx

It is not expected for parents to sign this new agreement now, but we will look for them to be signed in September 2019.

STEM Icons

Over the next few months we continue to share with you our STEM icons. STEM stand for Science, Technology, Engineering and Maths and is a focus for us this year. Staff have been asked to identify the person or product that has amazed, inspired or had a positive technological impact on their life!

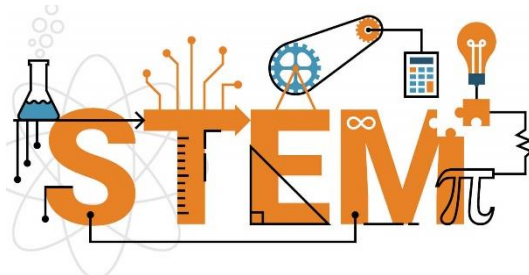

Our next STEM icon is from Miss Williams head of Design and Technology

STEM icon – The VW Beetle

The idea of the Beetle had been conceived in 1931, when Ferdinand Porsche and Zundapp developed the Porsche Type 12, or "Auto fur Jedermann" (translated as "Car for Everyone"). The Beetle was commissioned in the 1930s by Adolf Hitler as the "people's car" (or volks wagen in German).

Germany stopped producing Beetles in the late 70s, but in 1998 Volkswagen rolled out the New Beetle, which was meant to be a visual flashback to the original Type 1 design. I used to own the original Beetle and spent a summer holiday whilst at college helping my dad to restore and spray it (red). I also passed my driving test in one! With its classic shape, unique styling, sensuous curves and a flower on the dashboard, I have always loved this car.

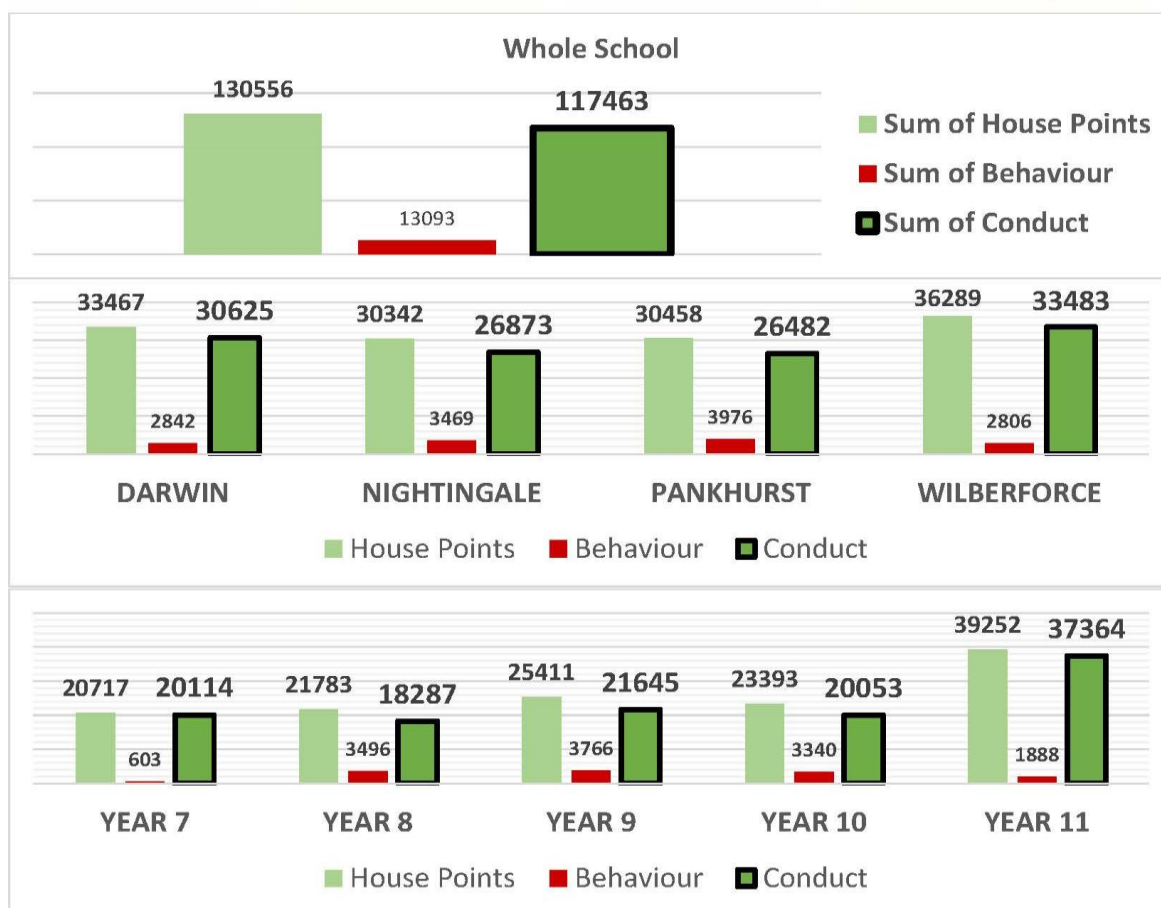

Please look out for the next STEM icon next week....

TALENTED YOUNG PEOPLE IN SPORT – GRANT

Applications are now being considered for this term's Talented Young People in Sport grant.

The grant is intended to ensure that young people are not denied the opportunity to participate, at a representative level, in sport because of financial hardship. If you know of a young person who meets the following criteria please encourage them to apply.

- The young person is of school/sixth form college age.
- The person with parental responsibility is resident in Hampshire.
- Generally, the young person is involved in competitive sport above district level and, in the view of the relevant school sports association and governing body of sport, has the attitude and ability to progress.

The application is supported by the school, county coach or county team manager or the relevant school sports association.

The award is for a specific purpose, e.g. travel to training or to take part in a particular event or for extra coaching. It is not to be used to purchase equipment or clothing.

The applicant's personal circumstances must show the need for financial support in order to develop.

Awards will be made at the discretion of Hampshire County Council and will be dependent on funds being available. Please contact.

Please contact karen.andrews@hants.gov.uk for further information.

Chess Puzzle

Last week's solution was to advance the a file rook. It's protected by the pawn, which can be promoted. Do not worry about white checking you as the knight will save the king and win the rook.

This week: find the best move for black.

Bring your solution to Chess Club on Thursdays at lunchtime in C21.

Maths Corner 16

First Day at School

It is your first day at school. The teacher suggests that it would be a good idea for each child to meet every other child in the class. The teacher said, "When you meet, please shake hands and introduce yourself by name."

If there were 20 children in the class, how many handshakes was there in total?

1 house point to all parents/students who presents the correct answer to their maths teacher before next weeks Maths Corner is published.
