Dear Parents

**Learning together – Empowered for life.**

I hope you enjoyed a break, or at least a change of routine over the half term week and feel refreshed for the seven weeks of term 6 taking us up to the summer break. Obviously there will have been revision in the mix, especially for our Year 11s and 13s, although hopefully some time for rest and recuperation too. Pretty much every morning, our Year 11s have been turning up en-masse for 8am exam preparation sessions; a huge investment of time from all concerned, but hopefully really rewarding.

## **Year 10 BAE Challenge- STEM**

Miss Williams writes to tell us that the Design and Technology Faculty took two teams of Year 10 students to compete at the BAE challenge at BAE Systems in Farnborough this week. The challenge 'Emergency Rescue Mission' was to provide a solution to transport injured civilians in a developing country away from an area hit by an earthquake. The students had to design and build a bridge, as well as a battery powered vehicle, that could travel over the bridge and bring the people to safety. The students worked through the planning, design and build stages providing detailed costings of the materials used. Our students showed fantastic team working skills, produced impressive end products and gave very well prepared presentations to the panel of judges. Whilst our teams didn't win the competition, the judges were very impressed with their submissions and mentioned how well they went about solving the problem.

This was an excellent opportunity for students to bring together skills learnt in all STEM subjects (Science, Technology, Engineering and Maths) and solve problems in a practical way using the iterative design process. Our students had the opportunity to work with the engineers at BAE throughout the day and were able to find out more about STEM careers and opportunities in design/engineering. It was great to see the students so engaged with the challenge, they showed determination and enthusiasm and an excellent experience was had by all. Thanks to everyone involved.....

Anna Duce, Darsha Montanari, Sofie James, Nathaniel Payne, Jack Huggins, Christian Judge  
Fin Scott, Casey Shambrook, Muaz Zaman, Illay Lupu, Megan Prior, Ariel Shimoni

We have sadly bid a fond farewell this week to Melanie Broomfield and Viv Boxhall from our finance office this week. These two ladies have served the school and community expertly for many years and they will be much missed – both for their expertise and their support.

## STUDENT STAR OF THE WEEK

Ivan Kuan 9NS. Ivan is a very talented and accomplished tennis player – well on his way in the annual 'Road to Wimbledon' competition. Schools and tennis clubs up and down the country run competitions and the winners go on to county finals. Ivan faces the Hampshire County finals in July and can then hope to reach Wimbledon in August. As a player also in the U14 Berkshire league for Wokingham he has even played in the men's game. He's an outstanding example of developing confidence through sportsmanship. His perfect behaviour record, 100s of Achievement Points and full attendance only go to show what can be achieved. Well done Ivan.

Yours sincerely

## Monks, Mosques and Icons

Last Thursday students from Year 9 and Year 10 went on a visit to three diverse places of worship in London. Our first stop was St Sophia's Greek Orthodox Cathedral, a beautiful building in Bayswater decorated with icons and statues. Students were fascinated by Father Theonas Bakalis and his stories about the Church and its history in the UK. The Greek Orthodox Church is the oldest in world and the domes and images were stunning.

This is Nicole from Year 10 with the icon of St George painted to thank the people of England for allowing them freedom of worship. (Nice pic Gracie)

Our next stop took us to Regents Park and the Islamic Cultural Centre and Mosque where we met by Peter our guide who showed around the Mosque. He was a really interesting man who started life as an Irish Catholic, he befriended an Afghan whilst at college and attempted to convert him to Christianity but ended up himself a Muslim! Peter gave us a presentation about the key elements of Islam which involved some very heated discussion about a number of topics including the death penalty, fasting and the punishments for apostasy! Well done Ellie, Daisy and Amelia for these fantastic questions.

Our final visit took us to Wimbledon to see the Monks at the Buddhадipa temple. Students were met by a volunteer from Thailand and a Monk who has been living in the UK for two years. We discussed the beautiful temple and we were given a lesson in meditation. We left very relaxed and chilled out!

Well done to the RS students of Yateley for a fantastic day.

## SPORTS RESULTS:

### CRICKET:

Year 9 BEAT Bohunt (Liphook)

The year 9 cricket team remain unbeaten after an excellent high scoring and high quality match. Batting first, Yateley scored 153 for 3 with Fin McFadyen retiring on 36 not out, after a very good opening stand from Lewis Moxham. Cameron George scored 25, Matt Collins (capt) 19 and Jamie Tidbury 11 not out. We bowled and fielded superbly with some tight bowling from Ben Elsey who bowled a maiden over, Alfie Pepper, Will Tucker & Prajwal Vadicharla. Aaron Keenan was spectacular in the field and Cameron George excelled behind the stumps. Well Done boys.

### NETBALL SUCCESS:

On Saturday 3rd June, three Yateley School students represented their respective netball teams at the Southern Regional Tournament held in High Wycombe.

Eva Chater (Yr 9) played in the U16 category for Weston Park Blades, Lana Williams (Yr 10) represented Rushmoor in the U19 category along with Olivia Treacy (Yr 11) who played for Eagles.

All three teams won places in the Southern Regional League for the coming season. The standard of netball was incredibly high all day, with only the top eight teams in each age group progressing to the league. This is the premier netball league in the South of England, with teams from the south coast to Milton Keynes competing for places.

In addition, Eva recently competed in the Wasps U15 tournament and has been selected to their squad.

They heard shouting, and cries of fear. Crafty looked down the slope and realised what had happened to cause so much panic. Without warning, the dark wall of the Shole had advanced.

Crafty can't remember a time before the Shole - the terrifying mist that has engulfed most of Britain, leaving those trapped in it to either die or be transformed into terrifying monsters: the aberrations.

by Sally Green

A princess, a traitor, a soldier, a hunter and a thief. Five teenagers with the fate of the world in their hands. Five nations destined for conflict. ### NEW TEEN BOOKS 14-19 (T+)

It starts with a wedding. And a car crash.

On the same night Evan's mother marries local radio DJ 'Breakfast Tim', Evan's brand-new step-brother Lewis is found unconscious and terribly injured, the only survivor of a horrific car crash.

A media storm erupts, with the finger of blame pointed firmly at loner stoner Lewis. Everyone else seems to think the crash was drugs-related, but Evan isn't buying it. With the help of her journalist dad, Harry, she decides to find out what really happened that night.

As Evan delves deeper into the lives of the three teenagers who died in the crash, she uncovers some disturbing truths and a secret that threatens to tear her family - and the community - apart.

Sunny Los Angeles can be a dark place in Cassandra Clare's *Land of Shadows*, the sequel to the best-selling *Lady Midnight*.

But Mark has spent the past five years trapped in Faerie; can he ever truly be a Shadowhunter again? And the faerie courts are not silent. The Unseelie King is tired of the Cold Peace, and will no longer concede to the Shadowhunters' demands.
