Learning Together – Empowered for Life

Dear Parents and carers

In a subtle, but hopefully appropriate and dignified manner, we have tried to mark the death of her Majesty the Queen. Mention has been made in lessons and assemblies and each tutor group has been producing a contributory page to add to a whole-school book of condolence. This has enabled each group to decide on a centrally agreed message and then with an opportunity for individuals to write a short tribute of their own if they wish and then sign. Visitors will also have seen a photograph, flowers and a commemorative display in our newly refurbished Reception area.

Having mentioned the brighter and significantly pleasanter looking Reception area, can I please remind parents, carers and visitors - if you have a meeting or some business on the school site, please always come to Reception first and sign in? It is essential for safeguarding reasons that visitors have a badge and that no-one is onsite without having been accounted for. Ideally, we ask that you make an appointment first, so that proper arrangements can be made.

Open Events It won't have escaped your notice that our Open Event season is upon us and we will be eagerly looking forward to welcoming the hundreds of families who have already signed up for some, or indeed all of our forthcoming events. May I remind you that on Tuesday 27th September, we play host to upwards of 350 Year 6 pupils? Students in Years 7-10 and Year 12 will not be in school on that day and will be set their work online. Year 11 and Year 13 students are in school and expected to attend as normal. Thank you very much indeed for your support with this and my apologies for any disruption that is caused.

The Open Evening that follows on Thursday 29th September is a massive event for the school and many of our existing students will be involved in one way or another. We ask that all of the students involved have signed in via the Sixth Form reception by 5.45 pm and the evening finishes at 9pm. Again, thank you so much for your support with that and I am very appreciative of any help you can give in promoting this with friends and families – especially if they have children looking for secondary school in September 2023. The doors open to the public at 6pm, and the evening gets

Yateley School Parents' Bulletin

properly underway at 6.15pm. The first Headteacher talk is at 6.30pm and the second at 7.30pm. Student led tours will be operating throughout the evening. Parking may well be an issue, although we do have the use of our own carparks, the Library carpark and the Westfields schools' carparks. I would anticipate traffic congestion in School Lane and the surrounding roads.

Year 10 Parents' GCSE information evening We had the great pleasure of welcoming a full hall's worth of Year 10 parents on Thursday evening to hear about coping and succeeding through the GCSE years and with some hopefully helpful thoughts and suggestions about managing this exciting, but demanding time. Above all it was about sharing some tips and the strong belief that will ensure that our exceptional young people come out with the great GCSE results that they deserve and that reflect their best endeavours. Parents have been very kind and complimentary and we hope that the evening has been of real use. My thanks to parents for coming and to Mr Tidd, Mrs J Williams and Mr Hill for helping me to present.

Student Star of the week is Sofia Aumonier in 11WS. As well as being a very able student, Sofia has her sights set – quite rightly – on becoming an 'England Rose' in Netball. The match photograph shows Sofia in red with the ball. Having played netball from the age of 4, through talent and perseverance, she has worked her way through club and county level and trialled for academy level at aged 14. A year later, she plays at elite level with Saracens Mavericks and routinely trains with them at the University of Hertfordshire. Over the summer they came in 5th in the Great Britain championship, with the decider being solely on goal difference. Sofia has shown herself to be an exceptionally motivated and talented player and we wish her all the best in her sport and, of course, in her GCSEs.

Yours sincerely
Paul German
Headteacher

Student Committees

This week all year groups via the year assemblies have had the pleasure of our senior students presenting to them about our four student committees in the school. These committees are fundamental in the further development of the school and allow the students to have their say in the school's journey and future. Please could you ask your child about these committees and encourage them to take part and represent not just their tutor group but their school. Details of the committees and their meetings time are below:

- **Student Voice:** Week A Tuesdays during Tutor Time in B1.4
- **Anti-Bullying:** Week B Thursdays during Tutor Time in B1.4
- **Well-being and Welfare:** Week A Fridays during Tutor Time in B1.4
- **Inclusivity and Diversity:** Week B Wednesdays during Tutor Time in B1.4

Year 11 Prom and Graduation Assembly

All Year 11 parents should be receiving a letter regarding the Year 11 Prom and Graduation Assembly in Summer 2023. As we do each year, Year 11 students are awarded 100 house points at the start of September. To allow students to attend the summer events they need to have 100 or more house points when it comes to summer 2023. Students can lose points for poor behaviour in the year and poor attendance but also gain points for getting more house points. All details are in the letter which will be issued to parents.

Uniform reminders

Just to remind everyone about the expectations when it comes to uniform in the school. It has been great to see how many of our students are meeting this, but there has been the odd small number of exceptions this week where we have had to speak to individuals.

The full uniform guidance can be found on our school policy page (Policy Page – [CLICK HERE](#), Uniform Guidance – [CLICK HERE](#)).

The main things which we have had to remind a small number of students about are no nail extensions/colour, no eye lash extensions, no extreme makeup, no nose studs, only a single stud allowed in each ear, no bracelets, no rings, no trainers, no leggings, mobile phones not allowed out in the school day, etc.

Students have been reminded this week and we would appreciate parents support with this.

As from Monday 12th September, any students who choose to not meet the guidance could face their items being confiscated as well as sanctions issued by staff. If you have any concerns then please do contact your child's tutor or the house team.

Tutor Time – Week of 12th September

We have altered our tutor time programme for 2022/23 to have an increased focus on important aspects of students' life education. Each week we will share with parents the summary details of what has been covered so you are aware. What was covered this week is summarised below:

- **National Focus Week** – Sexual Health Week - <https://www.brook.org.uk/shw/>
- **Wellbeing Tip** – 'Move every day and keep active'
- **Year Assemblies from Mr Keeble and Senior Students** – Discussed the details of the four student committees and how students can join.
- **CAMHS Best Version of You (Session 2)** – Year 7 looked at support in school if they struggle and how to support them getting organised.
- **Safeguarding (Types of Bullying)** – Year 8 to 11 looked into types of bullying and what they can do to support others

HOUSE MUSIC 2022-23

House Music Competition and Concert will take place on Wednesday 14th of December 2022. Final tech rehearsal will take place on that day in the Main Hall and concert will follow that evening with 7pm start. Rehearsals for this wonderful event have just started this week, so this is the right time for your child to join in. There are two ways that participant can help their House win: taking part in weekly House Rock Choir that is backed by a live rock band (!) and auditioning a solo/duet/small group/band piece.

- 1) House Rock Choir is preparing Kate Bush's 'Running Up That Hill' and is rehearsing every Tuesday and Wednesday lunch time in M1. This is a joint house rock choir so houses get points for participation. Therefore, it is vital for each house to have as many singers/instrumentalists join these rehearsals. Plus, it is nice to be able to do one large performance together.
- 2) House Music Auditions for any solo/duets/small groups/bands/ensemble will be held on Wednesday, 19th of October 2022, in M1 from 3:15pm until 6pm.

would be grateful if you could share this information with your child and encourage them to come, rehearse with us and to audition. Students can get more information from either myself or our House Music captains: Elliott Casselton (Nightingale), Olivia O'Reilly (Darwin), Evangeline Jackman and Jonathan Moores (Wilberforce) and Reyna Dimli and Xander Hackl (Pankhurst). We can be found in the Music Block every lunch time.

THIS WEEK'S SPORTS RESULTS

Netball

Year 10 Netball Versatility Tournament @Farnborough Hill the girls had so much fun and played some really interesting netball. Due to the nature of the tournament we never had more than one person in their correct position in any match, and this challenged the girls to play in position they never normally would. Trust me when I say there was some moaning!! The girls should be so proud of themselves for reaching the final for their pool and coming in second place. Well done Ladies.

This week we have an array of water bottles that need to be reunited with their owners. If you recognise one of them, then please email admin@yateley.hants.sch.uk
