

In this time where a lot of us are turning to on-line learning and resources, it is important that we are all aware of how to ensure safety online with our young people.

ThinkUKnow ([CLICK HERE](#)) is an amazing online resource giving parents and young people advice and guidance on how to remain safe online.

We wanted to take the opportunity in signposting some useful areas on their website:

How To Support Your Child At Home – [CLICK HERE](#)

Schools across the UK are now closed to most families. No doubt this is a worrying time for many parents and carers. Children will be spending more time online at home while they do their school work and socialise with friends. This gives some guidance and support for parents and carers.

Home Activity Packs – [CLICK HERE](#) – *Updated weekly on website*

This has been created to support parents during COVID-19 and the closure of schools. Each fortnight, they will be releasing new home activity packs with simple 15 minute activities you can do with your child to support their online safety at a time when they will be spending more time online at home.
