FAQs

- You must attend all lessons on your normal timetable after your exams.
- If you have finished a subject (i.e. taken your last exam in it) you need to still attend those lessons. Make sure you bring revision with you for your other subjects as your teacher will be supporting you to revise!
- On occasions teachers from other subjects might request you attend their subject in place of the normal lesson shown on your timetable. If this is the case you will need to:
 - ☑ Register in your normal lesson shown on your timetable
 - ☑ Check with your teacher that you are allowed to go to a different subject for that period
 - ☑ If agreed you then go to the department that has requested you
 - ☑ You **must** then remain in department until the end of the period, do not return back to your normal lesson.
