

## THE GCSE WEEK AHEAD #3

### MONDAY 03 JUNE – FRIDAY 07 JUNE

This is the hardest week of your GCSEs and **WELL DONE** because you're more than halfway to finishing this week! Take a good look at what is available to support you next week and decide what you want to attend from the **OPTIONAL** blocks. You must attend anything showing as **COMPULSORY** if you study that subject. During the 0800am-0840am sessions you'll have food and drink supplied to you to wake that brain up! Remember that B1.2/B1.3 is open at lunchtime for your revision also...

Questions? Email [peter.hill@yoteley.hants.sch.uk](mailto:peter.hill@yoteley.hants.sch.uk) for a prompt answer!

After School	OPTIONAL	Food Technology Workshops	Food rooms

#### Important Information

- You must attend all lessons on your normal timetable after your exams.
- If you have finished a subject (i.e. taken your last exam in it) you need to still attend those lessons. Make sure you bring revision with you for your other subjects as your teacher will be supporting you to revise!
- On occasions teachers from other subjects might request you attend their subject in place of the normal lesson shown on your timetable. If this is the case you will need to:
  - Register in your normal lesson shown on your timetable
  - Check with your teacher that you are allowed to go to a different subject for that period
  - If agreed you then go to the department that has requested you
  - You **must** then remain in department until the end of the period, do not return back to your normal lesson.

THE GCSE WEEK AHEAD #3
