# AS/A2 Examination Results 2025

## Advice for Students and Parents

Now that you have received your examination results it is important that you are aware of your options. The choice of options can be complicated so it is vital that you talk to your teachers, form tutors and parents about the actions that you intend to take; Mr Tidd or Mrs Stimson can offer more detailed advice where necessary. This is especially important if your position is unusual (e.g. students who retake Y12 or Y13). All fees are listed overleaf and forms are available either on results day or from the Exams Office (next to C25).

**If you are in doubt please ASK for help.**

There are four major post-results services offered by the examinations' boards (as opposed to UCAS). Each service can be requested by filling in the appropriate colour form; some require payment and others require the consent of a teacher. The services are:

<b>1. Priority Review of Marking (Red) A2 &amp; Level 3 only</b>	<b>Deadline: 12pm 21 August 2025</b>
--	--------------------------------------

In cases where a university place depends on a review of marking it is possible to ask the examination board to carry out the review of marking as a priority. There is NO guarantee that the university will hold your place open or that the outcome of the review of marking will be known in time. If you find yourself in this position you **MUST** seek advice on results day as an early decision will be required. N.B Priority review of marking results which arrive in school between 22<sup>nd</sup> August and 3<sup>rd</sup> September will be notified to students on 4<sup>th</sup> September, when school reopens.

<b>2. Request for Priority Copy of Scripts (Pale Green)</b>	<b>Deadline: 12pm 21 August 2025</b>
---	--------------------------------------

If you are considering asking for a paper to have a review of marking (see **Review of Marking**) then you should consider asking to see a photocopy of your examination paper (this service may not be available for all scripts). This enables you to reach an informed decision in conjunction with your teachers as to whether it is advisable to request a review of marking. Priority copies of exam papers should arrive in school from 4 September - before the deadline for deciding on review of marking, but must be ordered on the same day you receive your results, or on GCSE results day.

<b>3. Review of Marking (Bright Blue)</b>	<b>Deadline 22 September 2025</b>
---	-----------------------------------

If you believe that one or more of your papers has been marked incorrectly, it is possible to ask the examination board to conduct a review of marking. You need to be aware that marks can be raised or lowered so your grade or mark could get worse. Review of Marking is normally only carried out with the consent of the Head of Department concerned. If a review of marking is carried out without the consent/support of the department there will be a charge per paper.

<b>4. Request for Standard Copy of Scripts (Lilac)</b>	<b>Deadline: 22 September 2025</b>
--	------------------------------------

If you wish you can ask the examination board to return your exam paper to you then you can request your original script. This can then be used to help you see where you went wrong and to help you prepare for any resit. This service may take longer than the priority copy service and papers will usually arrive in school between 21<sup>st</sup> September and 3<sup>rd</sup> November, depending on when ordered. Teachers may also ask your permission to obtain a copy of your script for support of future teaching & learning and must have your written approval to do so.

<b>5. Other Services – Available on request speak to Mrs Stimson</b>	<b>Deadline: 22 September 2025</b>
--	------------------------------------

- **Clerical re-check** (White) – The exam board will check that the marks have been added up correctly
- **Review of Moderation** – this service is not available to individual students. Controlled Assessment units will only be re-moderated if requested by the Head of Department and authorised by Mr German (Headteacher).
- **Appeals** – there are two stages both of which require the support of the School – you should discuss this with the Head of Department prior to making the appeal.

<b>6. Resits (Orange)</b>
---------------------------

### November 2025 - GCSE Maths & English Deadline 24 September 2025

All students wishing to re-sit will need to complete a form even if they are in a re-sit class. They should ask the subject HoD to sign the form to indicate that they are aware of the resit. Forms are available from the Exams Office (next to C25) from 8<sup>th</sup> September.

Entry fee - £50 approx. (subject to confirmation in September) unless attending a re-sit class.
