

YATELEY

VI

FORM

PROSPECTUS

YATELEY SIXTH FORM IS A REMARKABLE PLACE...

It's a place where students develop academically but also, it's a place for them to discover who they are and where they want to be in the world. At Yateley we talk a lot about what really sets a young person apart; results are important but results coupled with endeavour are better. When students leave us to go to university, to an apprenticeship or into work we know that the most successful will have broad experiences and great results too. We refer to this as + interesting. + interesting is a special something. It is experience, it is adaptability. + interesting is the sum of the extra things that a student does which sets them apart from the crowd. At Yateley we are all about + interesting.

Yateley takes pride in the individual care of each student; we play to their strengths and support any weaker areas. We understand that young people need help identifying their future path, we talk about 'doors to

the future'. We work to ensure they know what their future options are and have the qualifications and skills to unlock them. Whatever the goal, we know that admissions tutors and employers will pick the well qualified and interesting over the simply qualified every time. Because we aren't huge we really know all of our students, and can provide genuine personalised provision. But we are large enough to be vibrant, exciting and offer some of the most impressive facilities in the area.

Andy Conway
Director of Sixth Form

“WHEN I GOT
TO KNOW
PEOPLE AT UNI
I COULDN'T
BELIEVE HOW
LITTLE OTHER
SIXTH FORMS
HAD DONE!”

Ex-Yateley Undergraduate

VIBRANCY

Yateley is never dull. The close community and mix of students ensure that there is always something going on - coupled with our regular Sixth Form events, life gets pretty exciting. Of course you still need to work hard but that's all part of the Sixth Form experience, and your tutor and teachers will be there to offer help and advice - and get excited about the events too!

“I am incredibly happy that I chose Yateley Sixth Form”

COMMUNITY

Yateley is a place where students thrive through valuing and contributing to their community. Everyone knows that everyone counts, and everyone knows that everyone is important. Students enjoy a wide range of activities designed to enhance their personal skills beyond just the academic. Fancy starting a new society? Go ahead! Rather join an established group? Sign up [here](#)!

“Everyone here was friendly and welcoming”

DISCOVERY

At Yateley you will find that you can do things you never thought possible. Want to go to university in the USA? We are the hosts of the regional Harvard Conference. Interested in the arts? Join our trips to London museums and galleries. Desperate to become a marine biologist? We will work with you all of the way. Individual attention and tailored advice is the name of the game. No two Yateley students are alike, and we like it like that.

“I was amazed by the amount of extra curricular activities Yateley had to offer”

The graphic features the word 'YATELEY' in a white serif font, with the 'V' being significantly larger and positioned below the rest of the letters. The text is set against a background of overlapping, semi-transparent geometric shapes in red and teal on a light beige field. A faint, light-colored triangular grid is also visible in the background.

YATELEY

OPPORTUNITY

At Yateley there is opportunity all around you. One of the hardest things is to stand out from the crowd. At Yateley we work hard to create opportunities that build on our students individual interests and ambitions, whatever those may be. Become part of the Yateley Entrepreneurs Group working with local business, join Russell's Friends heading off to a top university, or start racking up your volunteer points helping in our community and boosting your CV in the process. There is always something new to get involved in and who knows - you could become our next aviation scholar or a Harvard star.

48 institutions.

11 Russell Group Universities including Oxford and Cambridge over both art and science subjects.

Over 100 Yateley students are there right now.

Statistics taken from Leavers 2014

SUCCESS

Success breeds success: or so they say; and Yateley is the proof. We have real pedigree with students heading off to Oxford and Cambridge, and to Medicine and Veterinary College every year. Yateley students have recently secured scholarships with TAG Air, SEG and the National Costume School: all one in 500 shots, or tougher. And if the going gets really tough, our tutors and team care enough to work with students individually to make sure they have the best chance of their dreams coming true.

“The amount of subjects Yateley had to offer really convinced me to come here”
