

Sports participation at Yateley School: Enrichment Report 2021-2022

We are passionate about offering a varied and engaging programme of sports opportunities for students at Yateley School. This builds on a successful legacy of sports clubs spanning decades of success.

Our current and former students are now competing nationally in the Premier League, International Judo, International Netball, Dragon Boat Racing and Olympic Swimming amongst many other sports. Maybe you're next...

Did you know?

We have trialled a successful electronic registration system this over the past year in Physical Education; including all Sports and Clubs. This is our 2021-2022 Sports report. Due to the success of our registration system it is now implemented across all of Yateley School to monitor our enrichment activities, due to be reported in 2023!

IN SUMMARY:

We are delighted with participation rates across Yateley School and we are **proud of all our students**, from the complete novice (giving something a first go) to the seasoned professionals representing us at national and international competitions. There's no excuse now, so get involved in 2022-2023!

OUR ALUMNI:

We have had so many talented sports people through our school, including **Chris Benham** who plays cricket for Hampshire. **Arron Khul** plays Premier League football along with **Lewis Payne** and **Dom Ballard**. **Vikki Lucas** who performed as a synchronised swimmer at the Olympics. **Andrew Willis** who represented Great Britain at the Olympics, the World Championships and England at the Commonwealth Games. **Vicky Laflin** our Rugby player who played for England and Worcester Warriors. **Beth Armitage** - who was the British national solo Ice dancing champ. And **you...** next.
