

Bring or Buy your own device through the BYOD scheme at Yateley School

Yateley School

Yateley BYOD 2022

Yateley School is proud to announce our partnership with FreedomTech to bring your children market leading ICT equipment at better prices than on the high street. Yateley are now aligned with FreedomTech and now benefit from their long-standing relationships with the likes of HP, Microsoft and Google which opens more doors and opportunities for our student's learning and development.

Password: **S3cure02!**

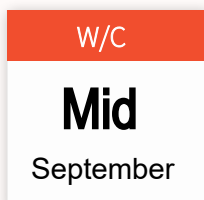

Closing date and deadline for submitting orders.

Please ensure your order is submitted on or before this date to ensure that you don't miss out!

First direct debit contribution payment

The monthly contributions will be taken on the 25th of each month.

Your device(s) will be ready and waiting for your child at school around mid September

It's as simple as that!

Frequently Asked Questions

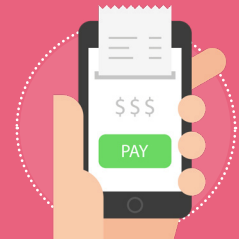

Will my device be covered?

Yes, you will be covered for accidental damage and theft (this covers pet damage, liquid damage and fire). Please note, that your **cover** will only be valid if you have no arrears and in approved case.

Fully comprehensive insurance policy through Yateley School covers inside & outside of school & £0 excess gives peace of mind for the life of the scheme.

Am I covered under the direct debit guarantee?

Yes, no changes can be made to the amount, date or frequency to be debited can be made without notifying you at least five working days in advance.

What are the key exclusions?

- Loss

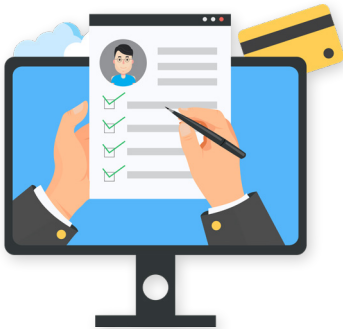

What do I need to do to make a claim?

Please visit www.freedomtech.co.uk/help to make a claim.

What happens to the device at the end of the scheme?

Providing you have adhered to the terms of the scheme the device becomes yours after a final payment of just £1

Will I be credit checked?

No, a benefit of the school providing the scheme is that there are no credit checks on the end user

Are any other devices available under the scheme?

At this time the school has chosen the devices highlighted, other equipment may be available in the future

What are the benefits of the policy?

- Covers accidental damage, such as if the device is accidentally knocked off a desk
- Covers theft, such as from your home or taken by force
- No excess to pay when making a claim
- Covered in school, at home, on school trips and family holidays

Can I pay by cash or credit card?

Because the way the scheme is managed monthly contributions can only be taken by direct debit. One off contributions in full can be taken by debit or credit card.

Can I pick a date for my direct debit?

The monthly direct debit will be scheduled to be taken on the 25th of every month.

How much will my direct debit be for?

The monthly direct debit amount is determined by the device that you choose which is confirmed when you place your order.

What if I miss a payment?

If the direct debit payment was unable to be collected you will be contacted by text, email or letter to explain this with a reason why. The missed payment can be paid via the online link or over the phone by one of the Freedom Tech team.

What happens if I don't keep up my payments?

Always talk to Freedom Tech as soon as you think that a payment might be missed, your individual circumstances will be considered.
