## From the Headteacher...

Dear Parents

I am pleased to bring you encouraging news from your school. Term Two has got well under way and the students are settled very effectively back into their work. This time of year is sometimes described as the 'engine room' of teaching and certainly in examination years, this is when a great deal of the important content will be covered. In the main, this is clearly well understood by the students and they are showing a great deal of maturity, determination and endeavour - with a few timely reminders along the way!

I have been very clear when talking to students that the key to success and a truly great school experience comes from a positive and productive outlook; actively choosing the response they make to everyday challenges. This idea, often called a 'growth mind-set', requires us to believe that the abilities and qualities you are born with can be developed and cultivated through effort, application, experience and practice. With the growth mind-set in place, we see challenging situations as opportunities to learn and grow. When we make a mistake in our reading or writing, we learn from it and improve the next time we come across that word or that expression. When the teacher asks a question, we think about it, and we are happy to explore it together with our classmates to help refine and develop our thinking, leading to greater and deeper understanding. The process helps us to improve. To grow. And even if we don't know the answer right now, if we work at it, listen carefully, and apply ourselves, we will know it soon and the results will be massive. As I have been equally clear with students, whom we are training to be responsible adults - there is a choice and those who actively misuse that choice will face clear consequences...

We have great news from the Sixth Form where we are well into university application season and I am excited to report that we already have 23 offers of places made to Yateley students from universities. These include subjects ranging from Maths to Sociology to Law and even Medical sciences. Even better, some students have received the rare and coveted unconditional offer! This is testament to them clearly demonstrating passion and potential in their subject areas to the extent that universities are desperate to have them; a real achievement. Our Medics and Oxbridge candidates still have a wait to endure but they will get the news soon!

In terms of non-university based careers, we had the pleasure of welcoming local (but global) company BTG Pharmaceuticals in to talk about the higher level apprenticeships as well as representatives from local apprenticeship hubs BCot and FCot to provide advice for our sixth formers about this new and exciting route. It was great to welcome back an ex-Yateley student who is currently studying for an apprenticeship with BTG and was able to explain the benefits of this route to our students. Inspiring stuff indeed! For our current year 11, and year 11 from other schools, our application deadline is the 17<sup>th</sup> November. We have 85 so far, so if you haven't taken the plunge yet: it's not too late, but be quick!

We are making a determined effort to develop, widen and improve our Social Media output, especially on Twitter. It is a superb way of keeping up to date with many of day to day achievements and successes across the school. As well as the main Twitter account @yateleyschool, you may well be aware of the many subject and House twitter accounts within the school. If you haven't already

explored this world, can I please encourage you to do so? A full list of these accounts will be published shortly.

May I finally take the opportunity to thank those parents who have taken the time to come and meet me in the two first 'meet the new Head' sessions? I have found the sessions fascinating, instructive and overwhelmingly supportive. If the timings haven't suited (and there is one more session to run), please do not hesitate to contact me at the school. I am keen to hear your views.

Yours sincerely,

P German

## STUDENT STAR OF THE WEEK

Each week we will look to celebrate the achievement and endeavour of one of our students. As accomplishment can come in all sorts of forms, the nomination criteria will be deliberately varied. Nevertheless, it is hugely important to celebrate the wealth of talent we have amongst our wonderful students.

Our first and thoroughly deserving student for this acknowledgement is Janine Lanek in Year 13. Alongside flawless GCSE results and exceptional accomplishment in the Sixth Form, Janine has also found time to contribute widely within school and pursue activities beyond school. She hopes to study Physics at Oxford and we wish her all the very best.

## HOUSE DRAMA COMPETITION – TUESDAY 5<sup>TH</sup> AND WEDNESDAY 6<sup>TH</sup> DECEMBER 7.00PM

The House Drama Competition is being held on Tuesday 5th and Wednesday 6th December at 7.00pm in the Main Hall. Tickets for this show are priced at £5 each and will be sold on a FIRST COME, FIRST SERVED basis and will be placed in your child's register. Please complete the reply slip at the end of the bulletin and return it in an envelope marked for the attention of Mrs Ellis to Reception.

*Mrs Ellis, Front of House*

## SCHOOL NURSE

As from next week, parents will now be notified via the School Comms system if your child has been given paracetamol by our school nurse. This is in addition to you receiving information about any other medical related issues.

Can we also please remind parents that only staff in the school should be contacting parents when their child needs to be collected from school. If it is a medical reason then this communication should only be done by the School Nurse. Students should not be making contact with their parents in the school day via their mobile phones. Students can of course speak to their parents during the day with staff permission and by using the school phone system.

*Mr. R Keeble, Assistant Headteacher (Student Support & Inclusion)*

## SCHOOLCOMMS

We are concerned that there is evidence of attempts by unknown individuals to befriend students on social media. Such requests may claim to be prospective students coming from abroad to join the school. We would encourage parents to have the appropriate conversation with your child and remind them of the need for diligence and never accept random friend requests. This is especially important should an unknown individual request to meet your child.

## **AUTHOR EVENT AT WINCHESTER GUILDHALL**

Last Thursday I accompanied a group of our year 9 students to an event organised by Hampshire's School Library Service at the Guildhall in Winchester. The event had been arranged to present the winner of the Hampshire Book Award 2017 to author, Helen Dennis, for her winning book 'River of Ink: Genesis'. The students who attended the event were some of the group who had read, evaluated and discussed the six shortlisted books during the spring and summer term. The event is a great way of rewarding the students for their commitment to reading all six books. The students enjoyed the experience, which is demonstrated in the following comments:

'It was cool to hear the author evaluate the writing process she used and to get my book signed.' – Phoebe Shea, 9WS.

'Awesome day! I loved to hear her back story and it was fascinating to see how the first ideas developed into the award winning book.' – Dan Morgan, 9WN.

*Mrs Hood, School Library Manager*

## **OCTOBER POETRY COMPETITION**

To celebrate National Poetry Day we ran our annual poetry competition and invited students to write a poem on the theme of 'Freedom'. We had a great response, and after putting together a shortlist, Mr Conway, Head of the English Faculty, kindly agreed to judge the 12 shortlisted poems. I am delighted to announce that Emma Jasikova, 7NN was awarded first place. Cobi Shambrook, 8WN and Eliska Elliott, 8PS were awarded second and third place respectively. Students will be notified and will receive a prize for their success.

A big thank you to all who took part, and also to those form tutors and English teachers who encouraged their students to enter. As many of the poems as possible will be displayed in the library so do please call in and have a read of them.

*Mrs Hood and Mrs Roof, School Library*

## **BRONZE DofE AWARD**

Congratulations to Jordan Carter, Wendy Sumner, Harry Sharkey, Sophie Collins, Talia Phillips, Thomas Hampshire, Ben Smith, Charlotte Allan, Olivia Treacy, Laura Staves, Katie Madge, Ethan Lord and Rory Williams who completed their Bronze Duke of Edinburgh Awards recently. There are a significant number of students in years 11-13 who have not finished the award and this is mainly due to not putting assessor reports onto EdofE. Please can you encourage your child to do this so they can receive the award and certificate.

*Mrs Uttley, DofE*

## **ITALY TRIP TO ROME AND SORRENTO \*\*\*SPACES AVAILABLE\*\*\***

Due to the popularity and success of our previous trips, this coming summer we will be organising a visit to Rome and Sorrento. This trip is open to students in **Years 10-13**. We will fly to Rome on Monday 16 July and return on the evening of Friday 20 July 2018. We will be staying in comfortable hotels in the heart of Rome and Sorrento. While this visit will be of particular interest to students studying Art and Classics, the experience of spending a week in this beautiful and culturally rich area would benefit anyone. This is a chance to visit sites such as the Colosseum, the Roman Forum, the Vatican museum, Pompeii and Vesuvius. The cost of the visit will be £675 which includes flights, accommodation, food, entry fees, and coach fares to and from Yateley as well as a coach to Sorrento. Letters available from Mrs Breen or Reception. Come and join us for a wonderful week!

**The deadline for this trip has now been extended to Tuesday 21 November.**

## FIRST STEPS VACANCIES

We are expanding our childcare services in our First Steps Day Nursery in November moving into new premises within the Yateley School complex, and as such are looking to appoint:

**Nursery Assistants** (Various Working Patterns)

**Nursery Nurses**

Working with the **Nursery Management**, successful candidates will provide a high standard of early year's provision that meets the needs of both parents and children in a stimulating and friendly environment that is both physically and emotionally secure, in accordance with First Steps Nursery policies and practice.

Successful candidates will also:

- Be a key worker to a group of children or a family, observing, monitoring, reviewing and recording the development of their needs.
- Maintain good working relationships with parents and professionals to build an understanding of individual needs.
- Work co-operatively as part of a team and, where necessary, provide cover for other nursery staff.
- Maintain and complete all necessary records on each child / family including as key worker to particular children and those required by Social Care and Ofsted teams.
- Act in accordance with national policy and current legislation relating to nurseries and those issued by HCC.

*Please note, this is not an exhaustive list, and full details can be found on the Job Description for this role.*

Demonstrable experience of working with this age range of children would be desirable, as well as having appropriate childcare qualifications (up to and including Level 3), including a working knowledge of the curriculum relating to this age range.

## Lunchtime Assistant

**11:30 – 13:30, 2 hours per day, 52 weeks**

Working with the Nursery staff to provide a lunchtime service to the children within the First steps Day Nursery.

## YATELEY VI FORM

### RAG WEEK – SIXTH FORM 13-17<sup>TH</sup> NOVEMBER

The sixth form fund raising society have organised a range of events taking place next week in school for Rag week, this involves sixth form students dressing up daily according to the theme, along with other events such as a cake and hot chocolate sale (Wednesday break), sixth form dodge ball and culminating in the tradition that is the Four legged race in Yateley next Friday morning. Sixth form students will be collecting for Children in Need throughout the week so if you would like to send any donations in with your child we would be pleased to collect them from students. You may also like to donate cakes for the sale on Wednesday, please hand in to reception with your name on the tin if you would like it returned.

We hope this will be an enjoyable experience whilst raising money for a very worthy cause.

### EXCITING NEWS – YATELEY STUDENT GETS FIRST CAP FOR INTERNATIONAL RUGBY

We are very proud to announce that Victoria Laflin who left Yateley Sixth Form in the summer has been named in the England women's U20 Rugby squad for the 2017/18 season. Victoria plays for Worcester Valkyries and joined Worcester University in September studying Psychology. We wish her all the best for the future.

## Some great news from Yateleys Health and Fitness

**History of the gym** The gym is a not-for-profit organisation situated within the grounds of Yateley School. We have been here for 27 years, and in that time our member-base has grown to 1556. Although it is possible for people to drop in and out of the club on a "Pay and Play" basis. Our highly competitive membership prices start at just £9.99 a month. As well as the gym, we also have a 20 metre on site swimming pool, sports hall facilities, and other areas for hire.

**Rationale behind the new equipment installation:** "We were at the end of a 5-year lease with Star Track equipment. This has given us a fantastic opportunity to invest in the gym to provide the best possible environment for our members."

**Number of classes and swimming sessions we run per week:** 42 classes running every week – including Les Mills classes, Spinning® HIIT, Bootcamp, Clubbercise and many more. All of our class instructors are highly trained professionals who are very welcoming and motivational.

We have 10 adult swimming sessions available per week and host public swimming for the children every Saturday and Sunday and throughout the holidays.

**Why Precor equipment?** "Precor was one of three leading brands that we received quotes from, and there were a few factors which swayed us. The growing trend in the fitness industry is tech-based, with most manufacturers singing about how well their machines communicate with mobile phones. It was a refreshing change to walk into Precor, and listen to a different tune. They sung about how much more ergonomic they were, how they activated your muscles better; instead of communicating better with your phones, they were better at their purpose: giving your body the best workout possible. When all others seemed to be confusing their main priorities, Precor were refining theirs.

We have received nothing but positive feedback from members and would welcome anyone to come and have a look around or trial our facilities.
