Dear Parents

It's beginning to feel just a little bit Christmassy in school. Some decorations are up and as I write, an interesting array of Christmas jumpers are brightening the entrance into school. This is a great way to raise money for charity, have some fun and come together as a team. I might even be glimpsed in a Christmas jumper myself – albeit briefly no doubt! I am very impressed by the way the school community comes together like this; long may it continue and strengthen.

An absolute highlight of the week, indeed the year was the annual House Drama competition which took place on Tuesday and Wednesday of this week. After weeks of painstaking preparation the House teams produced unique and wonderful work for audiences who were proud, impressed and enthralled. I cannot commend the Sixth Form Captains and their teams of talented younger actors highly enough. I had high hopes and they were exceeded! It is a clear example of the power of the house system; developing leadership, building talent and above all giving students memorable experiences that will last them a life time. Thank you also to my wonderful staff who worked tirelessly behind the scenes and especially, of course, to the Drama team.

The individual student awards are:

Best actor: Archie Westland-Rose

Best supporting actor: Louis Double

Best actress: Sophie Green

Best supporting actress: Zoe Clarke

Best team player: Muaz Zaman

Great performances all round, but particular congratulations to the victors of House Drama 2017 – Nightingale House.

I am looking forward to welcoming Headteachers from our partner primary schools into our school today. I'm acutely aware of the role we play together and the need to foster ever closer and more dynamic working relationships with other education providers. They will also have the treat of sampling the catering skills of some of their former pupils – I'm sure that will be memorable for all the right reasons

It has been absolutely fantastic to see the collective hard work of 7NN in their collection of gifts and Christmas shoeboxes in readiness for donation to elderly people who live in sheltered accommodation or warden assisted accommodation in Yateley.

# Yateley School Parents' Bulletin

On the afternoon of Wednesday 6<sup>th</sup> December Year 8 gathered in the Hall to watch the theatre production of *A Christmas Carol*. Ginificent Productions (an educational theatre arts group) delivered an excellent version of the novella in which all of the key characters were brought to life in an engaging and humorous way. The students showed great respect to the performers as they were attentive and engaged throughout. Many have commented about how much they enjoyed the show and especially how useful it was in helping them better understand the plot, characters, themes and attitudes of Victorian society. The staff were particularly pleased by the thoughtfulness and quality of the questions that many students posed at the end of the performance and the actors even commented on how impressed they were by the student response, both during and after the show. Well done Year Eight!

## STUDENT STAR OF THE WEEK

George Kite Williams in Year 12. George was one of the winning team running house drama for Nightingale House. However, in a true embodiment of the house spirit, team work and compassion, George covered for the Wilberforce captains as they were away on Sixth Form trips. George also mentors lower school students and assists in the running of the Year 7 youth club.

Yours sincerely

## CHRISTMAS CONCERT 2017

Please note that the Christmas Concert 2017 will be held on Thursday, 14th December at 7pm. All participants will need to arrive by 6pm and ensure that they have their instruments and sheet music with them.

The dress code, as always, is ALL BLACK and smart/elegant. Boys should wear a tie of their choice with a black shirt. Girls can choose skirts, dresses or trousers but clothes must be smart and sensible. We pride ourselves on our music so our attire should reflect that. All participants are required to wear sensible black shoes. Tech rehearsal will be held on the day. Please, encourage your son/daughter to check the running order that is displayed on the Music Block's front door, so that the day can run smoothly.

We shall welcome the Westfields Junior Choir led by Mrs Casselton as our special guests.

Lastly, please be aware that, 9WS will be selling refreshments, performing, supporting Mrs Ellis in the Front of House duties and collecting any donations in order to raise the funds for three charities: Brain Tumour, Harry's Smile and Step By Step. All three are close to our community so myself and 9WS are in the full swing of the final organisational touches.

### Snail Problem

A snail creeps 6 ft up a wall during the daytime. After all the labour it does throughout the day, it stops to rest a while... but falls asleep!! The next morning it wakes up and discovers that it has slipped down 2 ft while sleeping.

If this happens every day, how many days will the snail take to reach the top of a wall 54 ft in height?

## FUNDRAISING AT YATELEY SCHOOL

We are holding a Mufti Day next Friday 15th December for all students to raise money in support of a young Yateley resident, Harry Rampton.

Harry was born with a rare chromosomal abnormality and profound hearing loss. This means Harry has severe complex learning difficulties, sensory processing disorder, and visual impairment. Harry is and always will be entirely dependent on others.

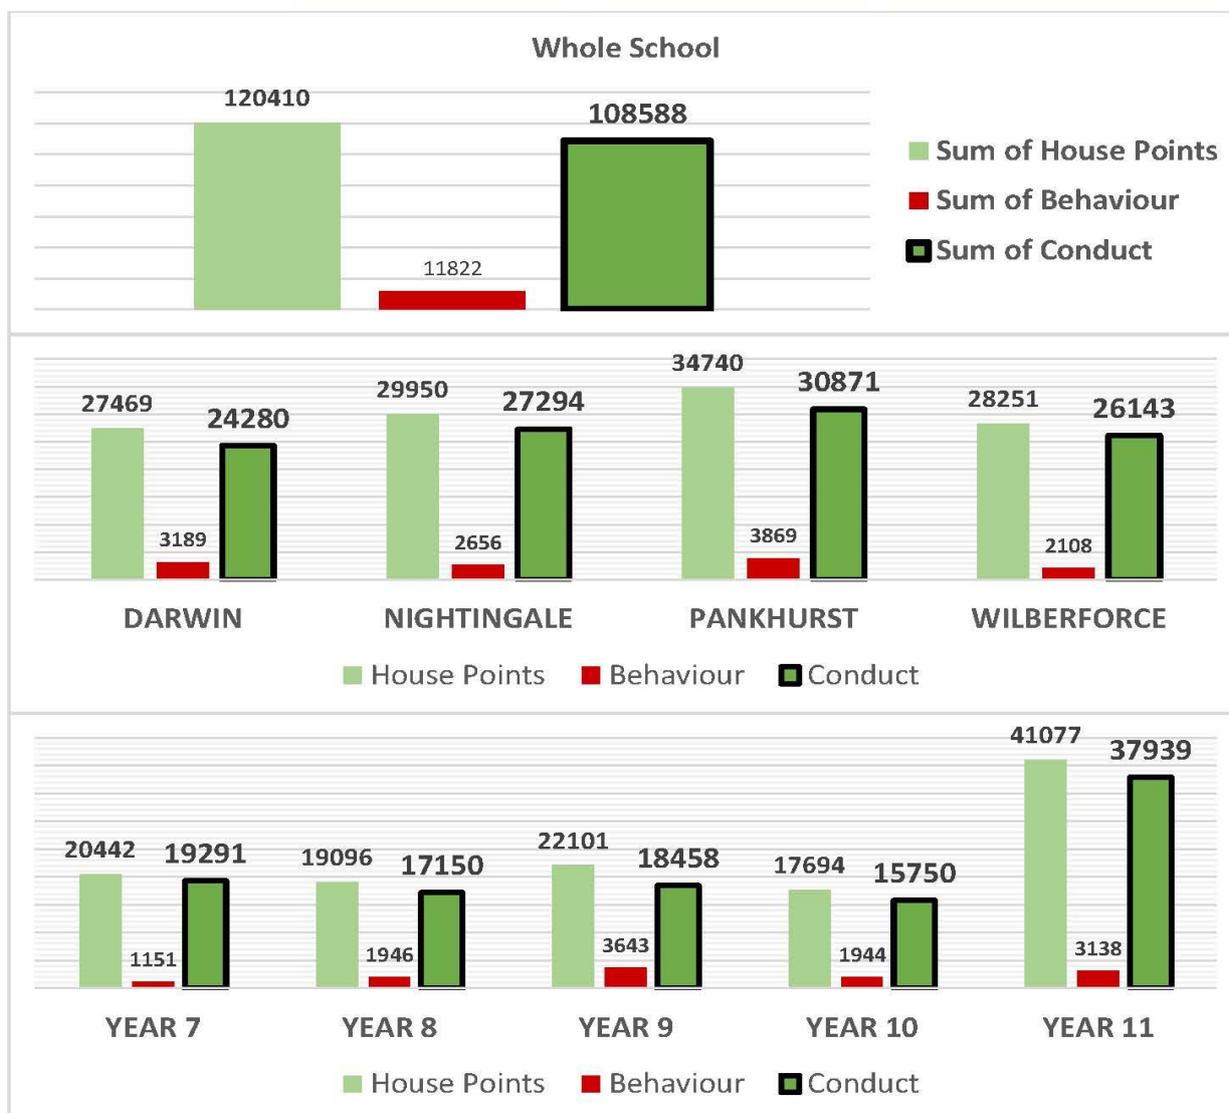

Yateley School are working with Harry's parents and physiotherapists to raise money to purchase a Pacer, a walking frame with wheels, so that he can become more independent at home.

All students are asked to donate a minimum of £1 on Friday 15th December. We hope to see many festive outfits on show!

# Yateley School Parents' Bulletin

There is a strong focus on futures in Yateley Sixth Form at the moment. It's the time of year when Year 13 students are in full university application mode, and we have over 70 applying so far.

The courses that they are hoping to read range from Biochemistry to Musical Theatre and everything in between, and I am very proud of this variety.

Nothing speaks of our attention to individuals as much careful course matching: if you go and do the wrong thing, what's the point?

Mrs D'Alton and Mr Plummer (our Sixth Form Deputy Directors) spent an interesting afternoon at Southampton Solent University this week. They had the opportunity to see what the university has to offer and meet and compare notes with staff from other sixth forms.

They had the same feeling that I have had in the past: Solent may not be on the top of all student's lists, but it certainly has a great atmosphere, passionate undergraduates and courses that would suit a great many of our students. Well worth considering.

It's also Interview season for our Oxford and Cambridge hopefuls. A long time ago, when I was at school, I was in the RAF cadets and asked a parachute packer why he chose the RAF over the other armed forces. He replied that in the RAF you strap the officers into a plane, pat them on the head and send them off with good luck towards their mission.

It feels much the same waving off our Oxbridge few to their interviews; we have prepared them, but it's up to them now. Good luck brainy students, good luck!
