Learning together – Empowered for life.

Dear Parents

Library Consultation Continuing from the previous bulletin, do please get involved in the Hampshire wide consultation on the future of our libraries. The greater the registered interest from Yateley and district residents, the greater the chance of safeguarding our library for the future, if further restructuring is considered. Please click on the following link <http://www.hants.gov.uk/library-consultation> to complete the consultation response form online and for further information. Alternatively, you can call into the library for a hard copy.

Year 9 Subject Review evening. Thank you to all parents who attended our Year 9 subject review evening on Thursday 23 January 2020. As anticipated, there is a real buzz amongst this year group with the Options Process underway and a great many conversations took place with subjects both familiar and new to the students being discussed. The 'window' via SIMS options online opens on Monday (27.1.20) and closes on Friday (31.1.20). There is no advantage in being the early bird, but equally all choices have to be made during next week.

Opportunity for Year 11 students. Year 11 have had a special assembly this morning during tutor time from NCS (National Citizen Service). NCS have been working with Yateley for the past few years and it is a great opportunity for our Year 11 students. Not only is the cost very low at £50 for the 3 or 4 week experience, but it also helps towards UCAS University applications and life skills. There is a bursary discount of £25.00 for any students in receipt of the Pupil Premium. Every year we have seen more and more Year 11's sign up and take part, which is fantastic. It is even more pleasing to note that our school has been awarded the Bronze Award from NCS due to the high number of students we have had taking part.

All Year 11 have been given a brochure about NCS and the sign up for this year, so parents, please do ask your son/daughter to show this to you following the assembly today.

There is a parents' information evening being held at the school for all Year 11 parents from NCS, and it would be great if you could come along. It is being held next Wednesday 29th Jan at 19.00pm in the school main hall. For further details please visit <https://wearencs.com/>

Year 11 Top Performers. Sticking with year 11 and in a daring break with tradition, we saw the Year 11 top performers in advance of the letter home (which follows immediately). These are the students who have really distinguished themselves in the recent round of mock exams and published results. There is recognition of those who have excelled through sheer academic excellence, producing super results that bode very well for this summer. Equally praiseworthy are those who

have smashed their target grades across the piece and shown huge endeavour and ambition. Remembering that these targets are set ambitiously for all students against the anticipated progress for the top 20% nationally – no mean feat! There was plenty of praise – and pizza – by way of a well done.

Debating Do you know a teenager who likes arguing? This house believes that the use of child labour can be justified in less economically deprived areas. This house would ban zoos. This house would re-introduce national military service in the UK. This house believes there should be no state funding for the arts. This house believes that cultural treasures should be returned to their country of origin. These topics and others like them will provide the opportunity for year 9 students to get involved in Debate Club, a new venture for the school. Mrs Robinson will be running the first session in D1.5 after school on Thursday 31st and we anticipate great things taking off from there. A regional and national competition beckons as we develop this fascinating activity that offers students a fantastic opportunity to learn a new skill and impress future employers, universities and training providers into the bargain. Please encourage the youngsters to get involved.

Student Star of the week and fantastic to see in this prestigious spot is Kevin Kavanagh in 11PN, or Kev Kav to his friends (who are probably most of the school). Kev is a fantastic and hugely popular young man with staff and students alike. He's got plenty to occupy him in school of course, but after a 2nd talent spotting expedition, he's been seen and snapped up by Woking FC as a new signing for next season. It's fantastic news for him and we're delighted that he'll be able to develop his footballing talents. He also assures me that he'll remember his old school once he's taken up the millionaire lifestyle... Well done Kev.

Yours sincerely

Paul German

HOUSE MUSIC - 12th February 2020

The House Music event is fast approaching and this year will be held on 12th February in main hall. We have many talented students here at Yateley and this is a great opportunity for them to showcase their abilities as well as representing their house and competing for the coveted overall house winner's trophy. Tickets are priced at £5 each and are now available to purchase online and will be sent out via your child's register.

PASSPORT READING CHALLENGE

We now have a display in the English block showing the names of those students and English classes in years 7 and 8 who have completed a postcard (book review) for the books they have read since the start of the school year. We know that students like to be recognised for their achievements and we're hoping that a little healthy competition will encourage even more students to read a book and complete a postcard. Please encourage your child to complete a postcard which they can get from their English teacher or the library and, you never know, they might see their name on display in the near future!

Students who have read the most books up to the end of December are:

	Year 7	Year 8
1st Place	Harrison Payne, 7PS	Margarida Santos, 8DN
2nd Place	Ethan Moxham, 7PS	Hannah Carpenter, 8WN
3rd Place	Phoebe Bateman, 7NS Olivia Doe, 7DN Ryan Middlebrook, 7PN	Olivia O'Reilly, 8DN

Prime of your life!

My age is a prime number. 2 years ago my age was also a prime number. Six years ago my age was an odd square number. I am old enough to vote, but I am not a pensioner.
How old am I?

1 house point to all parents/students who presents the correct answer to their maths teacher before next weeks Maths Corner is published.

BRITISH HEART FOUNDATION – SPONSORED SWIM

Invitation to take part in the British Heart Foundation Swim on Saturday 7th March.

Would you or your son/daughter like to be involved in a local charity swim event?

Once again, I am running the local *British Heart Foundation* sponsored swim this year and it would be great to see students (and parents!) from Yateley School taking part. You can swim anything from 1 to 50 lengths- no experience needed!! It is a real family event and has children and adults locally taking part each year. All ages welcome. It would be great to have a Yateley team this year!

It takes place on **Saturday 7th March** at **The Farnborough Leisure Centre** from **5.30pm**.

If you are interested please ask at reception for a letter/sponsor form **or** ask me, Miss Tottman directly.
