Dear Parents

**Learning together – Empowered for life.**

It is with a certain amount of sadness that we finally bid a fond farewell to our Year 11 students today. Nine out of ten of them have finished their GCSEs – the last ones are early next week. After the Physics exam on Friday morning the students gathered for the obligatory shirt signing ritual and then made their way to the main hall for the final assembly. The list of people to thank here is too long; suffice it to say that it was an excellent occasion - full of nostalgia and good humour. The students then collected hoodies and year books, leaving the site at lunchtime.

As a footnote. Having said final farewell etc, I should point out that we're looking forward to welcoming the majority of students back into our Sixth Form! For those waverers, I should point out that Hampshire's only outstanding school sixth form will almost certainly have a course that's right for you...

A BIG well done to all Year 10 Drama students!

A thank you first to Miss Tottman and Mrs Dixon, who write - Year 10 GCSE Drama students produced some outstanding devised performance work this week in their GCSE Drama exam. They showed this work to parents on Monday night in a dress rehearsal and then during the day yesterday in the Drama exam. Students have been creating these devised pieces for the last 3 months, based on an initial stimulus they were given. As a department we have been incredibly impressed by the focus and commitment of these students, evidenced by the high quality work produced in yesterday's exam. A large round of applause from the drama department!

Mrs Uttley had the pleasure of taking a group of talented Year 7 students to entertain residents at The Lakes in Yateley. With super singing and time spent talking to the residents and good and worthwhile time was enjoyed by all. They organised the song lists themselves and were outstanding. The students involved were Katy Gardner, Jacob Sealey, Tilly Westland-Rose, Josie Snelling, Helena Sullivan, Jasmine Smith and Jonathan Gan (year 12).

On Thursday we were delighted to take a team of students to Farnborough 6th Form to participate in The Rushmoor and Hart Challenge event. Our students were a real credit to Yateley School, working hard throughout the day, creating a brochure and presentation to advertise the local area. The Yateley team choose families as their target market and did a brilliant job to sell the local area to the judges and the other 50 students in the auditorium. Our team really stood out from the rest as they were the only ones who created a radio jingle, and the judges commented on their creativity.

# Yateley School Parents' Bulletin

Well done to all the students that took part and a special mention must go to Poppy Bourne who was voted by the whole team as the best team player of the day; she showed great leadership and organisational skills.

## STUDENT STAR OF THE WEEK

Katy Gardner 7PS, has taken a very active part in the life of the school since she arrived. As an active member of Pankhurst House, she was part of a group who helped Mrs Balls run a Parity afternoon tea (a charitable event) and represented the school at the May Fayre by singing in the newly opened Youth Suite. Katy has a keen interest in music; is organising a music assembly and is planning events for the 50<sup>th</sup> birthday celebrations.

Yours sincerely  
P German

## YATELEY SCHOOL – ROCK CHALLENGE

A plea to parents

Yateley School has been competing in the Rock Challenge Dance Competition for over 12 years. In that time we have successfully competed at Open, Premier and National level. Rock Challenge for some students is a chance to shine, a chance to make or build friendships or acquire a new skill. Each year we have auditioned dancers and had students volunteer as members of a stage crew to help manoeuvre the set and props around the stage.

However, this type of event does take a lot of time, dedication and effort to put on. It always amazes me how long it takes to create an 8 minute piece! I am now looking for a dedicated group of volunteers who can support the school and students by giving some time and help in order for us to compete in Rock Challenge in the future. Sadly, without support, these opportunities will start to disappear.

So we are looking for volunteers to help support Rock Challenge... are you able to paint? Can you design/draw? are you good at fundraising, would you be willing to help load set onto a lorry? Can you sew and make costumes? The Dance Department have been fortunate to have had some help from parents in the past, but now I feel a production team is needed!

If you think you could offer your help (I know we are all busy, but many hands make light work!), it would be lovely to hear from you. Please can you email me at [dance@yateley.hants.sch.uk](mailto:dance@yateley.hants.sch.uk)

Rock Challenge is a Dance and Drama Competition where students are challenged to be their best in Performing Arts.

## SPORTS RESULTS:

### Celebrating success at Hampshire County Athletics

On Saturday 9th June, Yateley students represented Aldershot & District at the Hampshire Senior County Track & Field Championships which were held at Down Grange sport complex in Basingstoke. We were fortunate enough, after a successful Senior Districts, to have a large number of our students selected to be part of the District team. Well done to all of the students who received an invitation, this is a huge achievement within its self. However on the day, Yateley School had some impressive highlights. Henry Fraser 10NN reached the finals of the 200m and came 6th, Ellie Darlington 10DS reached the finals for the 800m also finishing 6th. Adam Dart in year 12 gained 2nd Place in the 3000m. The celebrations of the day go to our 2 County Champions, Ben King 10WN for High Jump and Sam Keys 10WS for Pole Vault. As a District, Aldershot won the Junior & Intermediate Boys & the Intermediate Girls team trophies; we were only 2 points behind Eastleigh & Winchester in the Junior Girls, placing us second. A successful day all round.

## CRICKET:

Year 9 lost v Eggars by 79 runs. Eggars - 119 -1, Yateley - 40 all out.

## YEAR 12 GRAPHICS - Talk from an Ergonomist Designer- Helen Forsey

Our year 12 Graphics students had a great experience today learning about 'User Centred Design'. Helen Forsey, an Ergonomist, came in to talk to the students and support them with their client led projects. Helen completed a degree in Ergonomics at Loughborough University and then a Masters in Human Computer Interaction. She is currently working for DSTL (Defence Science and Technology Laboratory) in Farnborough. Helen has been involved in a number of projects including defence equipment, vehicle design, control rooms and human computer interfaces. The students really benefited from her wealth of knowledge and experience and will use this in the A level projects. They were able to gain an insight into careers in this less known sector of the design industry. Thanks for all of your support Helen.

## YEAR 8 ART

### Art display in the library

Yateley School students in year 8 made Tribal masks on the theme of Tribal art. They used paper mache and an assortment of resources to create wonderful masks. Some masks are on display in Yateley library and well worth making a visit to see them.
