**Learning together – Empowered for life.**

Dear Parents

You will find further details and celebration of our superb Sports Day elsewhere in the bulletin. However, as I'm sure all would agree, it was an absolutely superb event for our school. In beautiful weather we all came together to watch our athletes of all ages and abilities give their absolute all and to support their House. The whole thing was masterminded, led and supported by our superb PE team, ably supported by House staff, tutors and a great many of our support staff. Well done and thank you to everyone involved. Pictured below are two school records that came tumbling courtesy of our elite athletes

Ben King 10WN has just smashed the High Jump School Record 1.82m best Jump in 50 years. Excellent work Ben

Ed Webb 8WN has beaten the Discus School Record 31m22. Previous record held by S. Morgan 1977 for 41years!!!! Well Done Ed

Congratulations to Nightingale House, worthy winners on the day.

## **STUDENT STARS OF THE WEEK 1**

Jonathan Gan and Eleanor Thomas (Year 12) have organised, designed and made these super boards for display on sports day.

This independent and enterprising work proved exceptionally popular amongst the house teams!

**Junior Maths challenge.** Congratulations to our very capable Year 7 and 8 mathematicians who participated once again in the Junior Maths challenge, a national event which distinguishes the very best young mathematicians. My thanks in particular to Mrs James and our maths team for their guidance, organisation and support.

**Year 8** Sam Yung (Best in School, Best in Year, Gold), Sophie Prior (silver), Brodie Walker (silver), Harry Jarvis (silver), James Stark (silver), Erin Lenthall (silver), Richard Escreet (silver), Poppy Bourne (Bronze), Liam Wilson (Bronze), Jack Holmwood (Bronze), Sam Burnett (Bronze), Evie Saunders (Bronze).

**Year 7** Sophie Tzanetis (best in year, Silver), Charley Macfarlane (Bronze), Zara Hunt (Bronze), Cerys Parkes (Bronze), Peter James (Bronze), Thomas Hurst (Bronze), Milo Smith (Bronze), Harrison Worboys (Bronze), Jacob Sealey (Bronze), Fraser Jarvis (Bronze), Alara Turan (Bronze), Rebecca Pomfrett (Bronze), Matthew Man (Bronze).

**Year 5 Activity Days.** On Monday and Tuesday of this week, we had the pleasure of welcoming our fantastic students of the future when the Year 5 children came for their activity days. Nearly 400 pupils came from our neighbouring schools and were charming, hardworking and full of character throughout. It was such a pleasure to meet them and make a start on their Yateley journey. Similarly, it was great to meet parents for the first of our two new parents' information evenings to give additional information about the school.

**Year 11 Prom.** Yateley School and indeed most of the surrounding area came alive on Friday 22 July for our annual prom. In an amazing variety of vehicles, our fantastic students arrived in their amazing formal wear and a great time was had by all. It was a fitting way to end their time in compulsory education and for some the chance to wish them bon voyage as they got off to pastures new. Many staff supported in all sorts of ways, but particular thanks must go to Mrs D'Alton who masterminded the whole amazing event. Thanks also to the wider community for your support and apologies for any traffic disruption that was caused.

## STUDENT STARS OF THE WEEK 2

Pimer Thuambe and James Branch in Year 7 were outstanding ambassadors for the school in the Year 5 parents' information evening. They spoke eloquently and with real conviction about the school and about how much they've enjoyed the year. It really goes to show that you get out what you put in and these two are the embodiment of our values as a school.

Finally. You will find our round up of House Point and tutee awards later in the bulletin. Please note that the totals are up to the end of the first half of the summer term. The number of students over the superb 500 and even 600 house point mark has increased markedly since! More on these super achievements soon.

Yours sincerely

P German

## SPORTS RESULTS

### CRICKET:

Good luck to the year 9 boy's cricket team who are due to play Eggars today, at Rowledge Cricket Club, in the Aldershot & District U14 cricket league play-off final. Let's hope that they can follow up last year's Hampshire Cup Final victory to win another trophy this year.

### SPORTS DAY:

We had a fantastic couple of days at the end of last week, the sun was shining down on the PE department as we hosted our 2 day event. On day one we were fortunate enough to witness two school records being broken. Firstly, in the morning, Ben King in year 10 was the last man standing in the high jump competition. When asked what height he would like us to move to, he replied, "What's the school record?" So, we raised the bar to 1.82m and watched as he sailed over the bar on his third attempt, with a beautifully executed jump. Watched by the morning's competitors, the Gym erupted as Ben landed on the bed. Shortly after this, Ed Webb in year 8 threw the discus 31.22m, as I am sure you can imagine everyone on the field looked on in awe at the distance that had been achieved. Both boys are very modest about their achievements, however we are very happy to shout about them from the roof tops.

Day two is always busy, but a great atmosphere surrounds it, as the whole school come out to spectate the afternoon's events. All of the students did a fantastic job, whether it be participating or cheering on their houses. Some even sung along to Mr Plummer's playlist!

Although we organise and run the event, we wouldn't be able to do it without the support of all the staff and students of Yateley School. The field was immaculate as we dismissed the students. So, thank you for all your efforts.

## JANE AUSTEN HOUSE

On Saturday 9<sup>th</sup> June Phoebe Shea, 9WS and Isabelle Cole, 9NS and their families attended a presentation at the Jane Austen House Museum in Chawton. The girls had been invited to a prize giving for the 500 word stories they had written on 'Persuasion'. The event was organised by the Jane Austen House Museum and Hampshire Cultural Trust. The girls' stories were entered into the 12 to 16 years age category and I'm pleased to tell you that Phoebe was the runner up in this category and Isabelle was awarded a highly commended. The photos show Phoebe and Isabelle receiving their certificates and prizes from Hampshire based authors Rebecca Smith and Neal Layton who were the judges.

## Lower School Production of "The Wind in the Willows"

The fantastic performance from the Lower School of The Wind in the Willows is going to be shown on Tuesday 10th and Wednesday 11th July 2018 at 7pm in the Main Hall and tickets are priced at £5 per person.

Many of the cast are hot on the heels from the Main School Production so you can be sure the show will be a great night out as we have such talent here at Yateley School.

Tickets will be sold on a **first come, first served** basis and if you would like to secure some then please can you complete the reply slip at the end of the bulletin and return it to Reception for the attention of Mrs Ellis, Front of House. The tickets will be sent out via your child's register.

## SCHOOL JUBILEE EVENTS

Tickets for our **Grand Raffle** will be going out very soon, Tickets are £1 and each student and member of staff has been given a book of five. If you are able to sell at least one book amongst your family and friends we will raise a significant amount for our birthday fund-raising to go towards the refurbishment of the students' toilets. Look at the tickets to see the great prizes you could win.

It is with regret that we have decided to cancel the **fun run** which was scheduled for 8 July. We have had very few entries for the main event and while there is still time for a possible last minute flurry of entries we need a fortnight's lead time for ordering medals, prizes etc. We can't do that without an idea of the 'make up' of the entries.

On a brighter note, we have had the first of a series of group visits by the students to the retiree homes in Yateley. A group went to Willow Gardens and entertained the residents with singing and then there were small group conversations. It was very well received and congratulations to the students who were wonderful ambassadors for the school. There are three more scheduled and a group of retirees has been invited to the school for a special showing of the Lower School Production. Well done to Mr Keeble and Mrs Uttley for organising these events.

The reunion events are proving popular and in September we have a motivational speaker coming to the school to talk to all the students. Today judging is taking place for the story writing competition which has included entries from Year 6 from the primary schools on the topic of 'A Day in the life of a teenager in 2068' and we are delighted at the number of entries and for the support of the School Library and the English department.

And last not least – have you booked your lunch at the Ely yet for the ramble on 30 June?
