**Learning together – Empowered for life.**

**Dear Parents**

**Sixth Form Prom** The fantastic grounds of Warbrook House was our venue for the Sixth Form Prom on Friday 21 June. This was a wonderful chance for a last hurrah from our Year 13 and to wish them well as they set off into the world of higher education, apprenticeships and training. My thanks go to all of the staff who made this super event possible and in particular to Mrs D'Alton whose tireless energy, commitment and

meticulous planning brought the whole thing together.

**Year 5 Activity Days.** On Tuesday and Wednesday of this week we played host to two very busy and successful Year 5 activity days. Hundreds of excited and very impressive 9 and 10 year olds flooded into the building and had a great day, trying new lessons, new skills and discovering a little of what secondary school is all about. The pictures below really do show Mr Stacey on fire and Mr Glendinning figuratively on fire with the excitement generated by Maths! On the Wednesday evening we then played host to prospective parents in a very full hall, all wanting to have a more in-depth insight into our school, prior

to the open events in September and October. The school Open Evening is on September 26, from 6.30pm.

We are now gearing up for the Year 6 induction days on Tuesday and Wednesday of next week. With 68 more children in the incoming year 7 from the current one (or put it another way, 122% of catchment) we'll be looking forward to a very welcome challenge!

**District Athletics** – we put in a very creditable appearance at the Junior District Athletics competition, which took place at the military stadium Aldershot on Monday. All of our students did us proud! We had over 50 students competing and they coped well with the heat and humidity. A special mention must go to our two District Champions; U13 Dev Ghambole, U14 Isaac Allen and Sophie-Ella Tzanetis. Furthermore, huge congratulations to those who have been selected

to be part of the Aldershot and District Team at the Hampshire County Schools' Track and Field Championship on Tuesday 9th July.

Invites were sent to the following students: Dev Ghambole, Isaac Allen, Sophie-Ella Tzanetis , Daisy Mitchell and Maddison Wiacek.

**Student star of the week** is Edward Webb in 9WN. Although there will be a full round up of the Sports Day activities in next week's bulletin, Edward's achievement can't wait! He has just broken the shot put record which has stood for 52 years (i.e. from the Hartley Wintney School that preceded our current site)! For the record, this was an immense 12.93m – an outstanding achievement and very well done Edward.

### UNDER 15'S (YEAR 10) - CRICKET TEAM

Congratulations and commiserations to our Under 15 Cricket team who won their division of the district league, but lost the Play Off Final to Eggars School (Alton) in a close game having been in a very commanding position throughout the game and favourites to win until an unfortunate batting collapse in the last few overs.

Hopefully they will have better luck on Monday when they travel to the Isle of Wight to play Bay School in the Semi-Final of the Hampshire Cup at the County Ground in Newport.

The boys have reached 2 County Finals in the past 2 years winning the Plate last year and the Cup 2 years ago, so are going for a hat trick of Finals and hopefully victories.

As this will be their last opportunity to play Cricket for the School, I think that they deserve a special mention being our most successful team ever!

## YEAR 10 SPORTS DAY CAPTAINS

Our newly appointed Year 10 House Sports Captains have been busy for the last couple of weeks furiously trying to sort full teams for Sports Day. They have risen to the task in hand and Sports Day has run incredibly smoothly.

They have also helped on both days with scoring and judging, all with a fabulous willingness to get involved with whatever has needed to be done, displaying admirable 'can do' attitude. What great role models they are to our younger students!

Our thanks go to them and to the whole PE team who put so much time and effort into this event.

## YEAR 10 PRINCE'S TRUST FUN RUN

Last Friday 21st June, along with my lovely Year 10 Prince's Trust group, we had the pleasure of welcoming 100 year 5 children over from Westfield Junior school to take part in a fun run - with the aim that the year 5 children ran as many laps as they could around "C" block field in 20 minutes.

The Year 10's did a fantastic job marshalling, handing out drinks, designing and writing 100 certificates and taking lots of and lots of photos of the event, amongst other things.

A group of lovely Year 7 Darwin students also helped out by running with and encouraging the 5's to keep running - things got a little competitive between Year 5's and Year 7's at times!

Suffice to say a great time was had by all - and feedback from Westfields was "a big thank you to Year 10, the Year 5's had a fantastic afternoon".

## YATELEY YOUNG DESIGNERS

Also as many as 15 of the designs will be on display at our 'Young Designers' exhibition that runs from Tuesday 16<sup>th</sup> July to Thursday 18<sup>th</sup> July.

We do hope you can pop in at some point to see the amazing work from our students in Art, Graphics, Food, Photography and Design Technology departments.

## CRANFORD PARK TO WIN?

As you may be aware Cranford Park one of our local primary schools is currently in the race to win a fully installed playground, courtesy of Colgate if they win the most votes! We're really keen to help in any way we can, so whip out your mobile and or visit <https://t.co/rsLFdOT45O?amp=1> to get involved. It'll take less than a minute and you can help secure better facilities for a quite wonderful primary school!

## FUNDRAISING FOR THE LOCAL CRISIS CENTRE

After the recent inquest Sasha's family said: "Sasha was our gorgeous girl, a precious daughter, a loving sister, a loyal friend, and a spark of brightness in the lives of all those she knew. Over two years since her death, and after a four-week inquest with seven other interested persons consisting of three hospital trusts, two police forces and two private GPs, a thorough investigation into Sasha's death has finally taken place. Sasha found the early hours the most difficult to deal with, when most mental health services are closed. As a result, we are fundraising to open a crisis house in Sasha's memory, which will be open all night and will welcome all those who struggle as Sasha did." Sasha was from Fleet, Hampshire, and is described by her parents as a lovely, intelligent young woman who had a passion for life, was full of fun and who, despite her own problems, placed enormous importance on supporting and caring for her friends and family. Sasha's diagnoses included Obsessive-Compulsive Disorder and Post-Traumatic Stress Disorder. Sasha had a history of self-harm.

On 31 March 2017 Sasha took an overdose whilst on leave from Farnham Road Hospital. That evening Sasha was located unconscious by police officers; she was taken to Frimley Park Hospital, Frimley, but pronounced dead shortly after her arrival. The jury at the inquest into her death, found that she died by suicide on 31 March 2017. Sasha Forster was detained under the Mental Health Act (MHA) but on leave from Farnham Road Hospital, a mental health hospital run by Surrey and Borders Partnership NHS Foundation Trust (SaBP) at the time of her death on 31 March 2017. Sasha was autistic and had confirmed diagnoses of Obsessive Compulsive Disorder and Post Traumatic Stress Disorder. We are coming together to "run" around the world in 80 days by clocking up our daily step count to try and cover the mileage - all profits are going to this cause.

The event starts on the 1st July and people can enter here <https://www.eventbrite.co.uk/e/around-the-world-in-80-days-tickets-64126972501?ref=eios&fbclid=IwAR2Y563Zdgzgh1y7B-3uoU9FCj3ZUJ0avO0xaRuw-NBSMcH3K8iD9DKGf8Q>
